Onward And Upward

Everyday our lives move toward a new direction. It may be a new goal to study so that you can pass your math test. Then again, it could be a new friend that will someday be your old and trusted buddy. Every moment each of us is moving in a new direction.

New directions symbolizes the '84-'85 school year. We, as a school, have changed. The football team moved towards the new direction of winning and we all moved with them by supporting and cheering them on. Peggy Lynch showed us a new direction by becoming the first woman principal at Tustin H.S. The year was full of new directions which helped us to improve ourselves. We moved onward and upward to new heights. We followed paths of new directions.

Tustin Looks On To New Directions

Tustin High School as a whole, faced many New Directions during the 1984-85 school year. School spirit, with a boost from a winning football team, was raised, and students built more pride into their school. Students and staff faced a new year, in which they grew, learned, and matured to face further New Directions.

1. Renay Johnson builds school spirit as she cheers the crowd on. 2. A great crowd of Tillers gather to watch an assembly. 3. Karen Berry keeps the sun out of her face as she casually looks on. 4. Campus supervisor Art Reynolds takes Mr. Wagner to the office for leaving campus illegally. 5. This sign tells it all.

Homecoming Week Was Up, Up, And Away

9

This year Homecoming week was from October 29 to November 2, and was a lot of fun. The week started with the Kayak Race and continued with quad decoration, balloon pop, pancake eating competition, and the big wheel race. This year for dress-up day you could purchase a Homecoming t-shirt. Throughout the week spirit points between classes were close, but it was not until the Homecoming Assembly that the seniors took charge.

The Homecoming Assembly found many students in attendance and for a good reason too, there was a lot going on. The crowning of John Lundy as "Mr. Tiller" with his pitchfork and carrots pleased the Senior class. The freshmen, believe it or not, prevailed in the Volkswagon race. The event that was most enjoyable for the students was the bat relay. The seniors and the sophomores tied for first place in that event. The only event that the seniors took 4th place in was blind mans football, but the seniors took 1st in the balloon shave to show their domination. The juniors, sophomores, and freshmen gave them a run for the money, but the seniors came out on top. The Tillers once again displayed pride and enthusiasm by coming out in great numbers and enjoyed the 1984-1985 Homecoming Week.

A Night To Remember; Up, Up, And Away

The 1984 Homecoming Dance was truly a night to remember. The Magnolia Room at the Disneyland Hotel was rented for the dance. Two-hundred and fifty couples attended, and even graduates were there, all having a great time. Everyone listened to the music of *Roller Coaster*, and danced the night away. For the theme, Up, Up and Away, the room was decorated in balloons, and mini hot-air balloons for the center-pieces decorated the tables. Pictures were taken of couples and friends. And finally, the Queen Renay Johnson, had her Queen's dance with Beau Mercurio, and the court and their dates; Krista Simor and John Heckencamp, Julie Hawkins and Mark Ziegenhagen, Kathy Shives and Garret Stryker, and Julie Krames and Paul Ninow, joined in. This year's Homecoming dance was a night to remember.

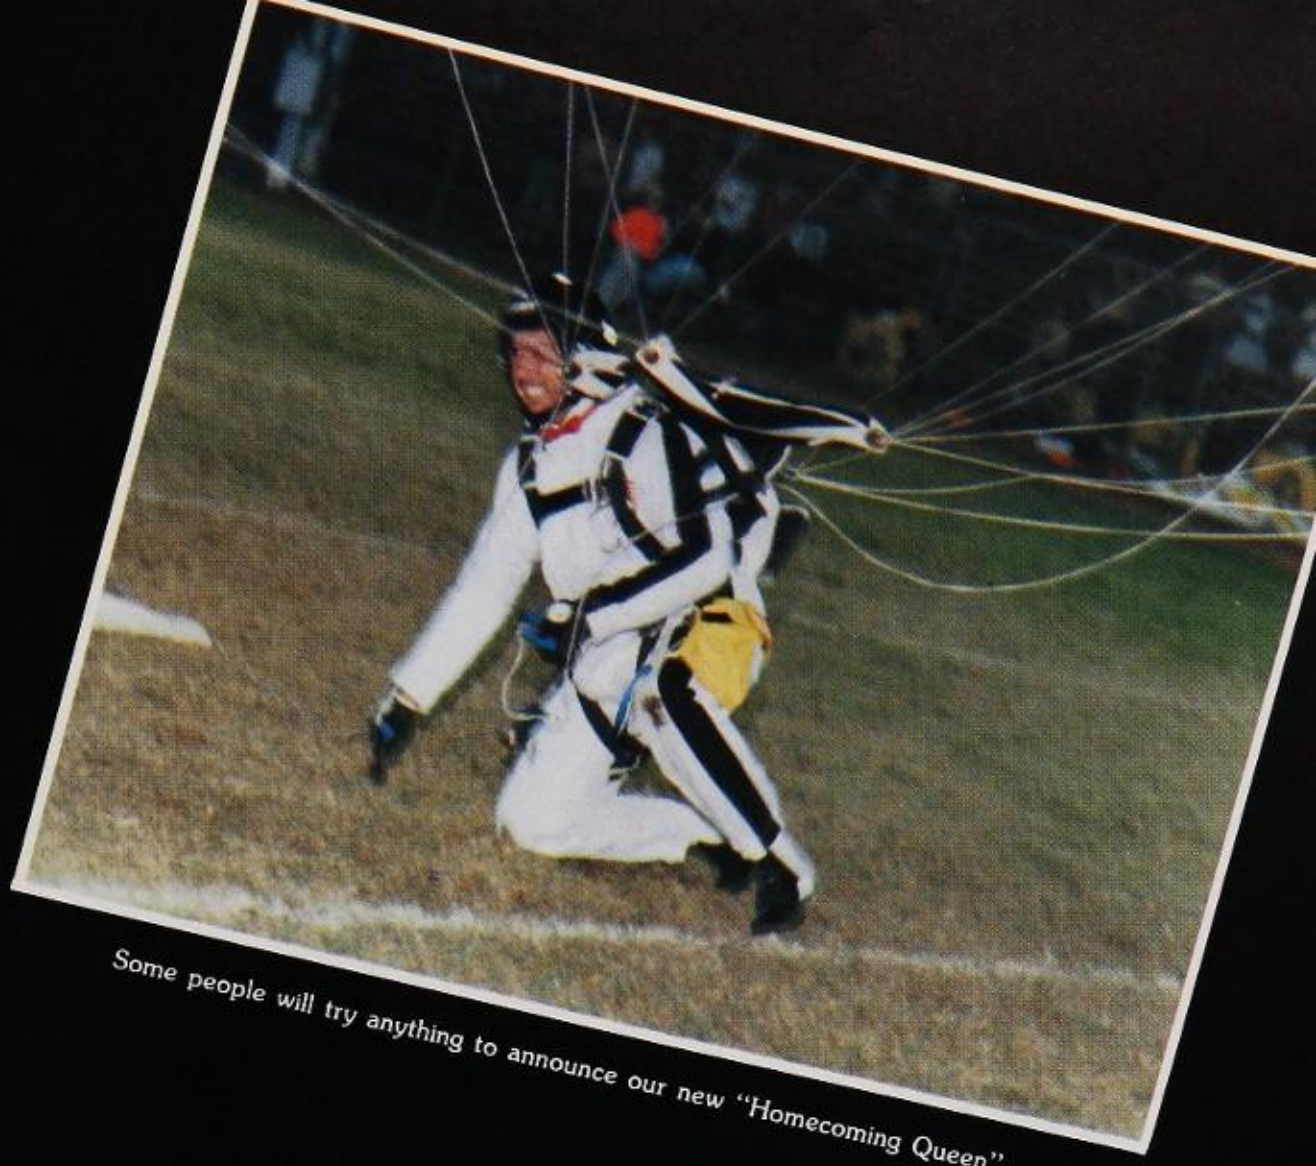
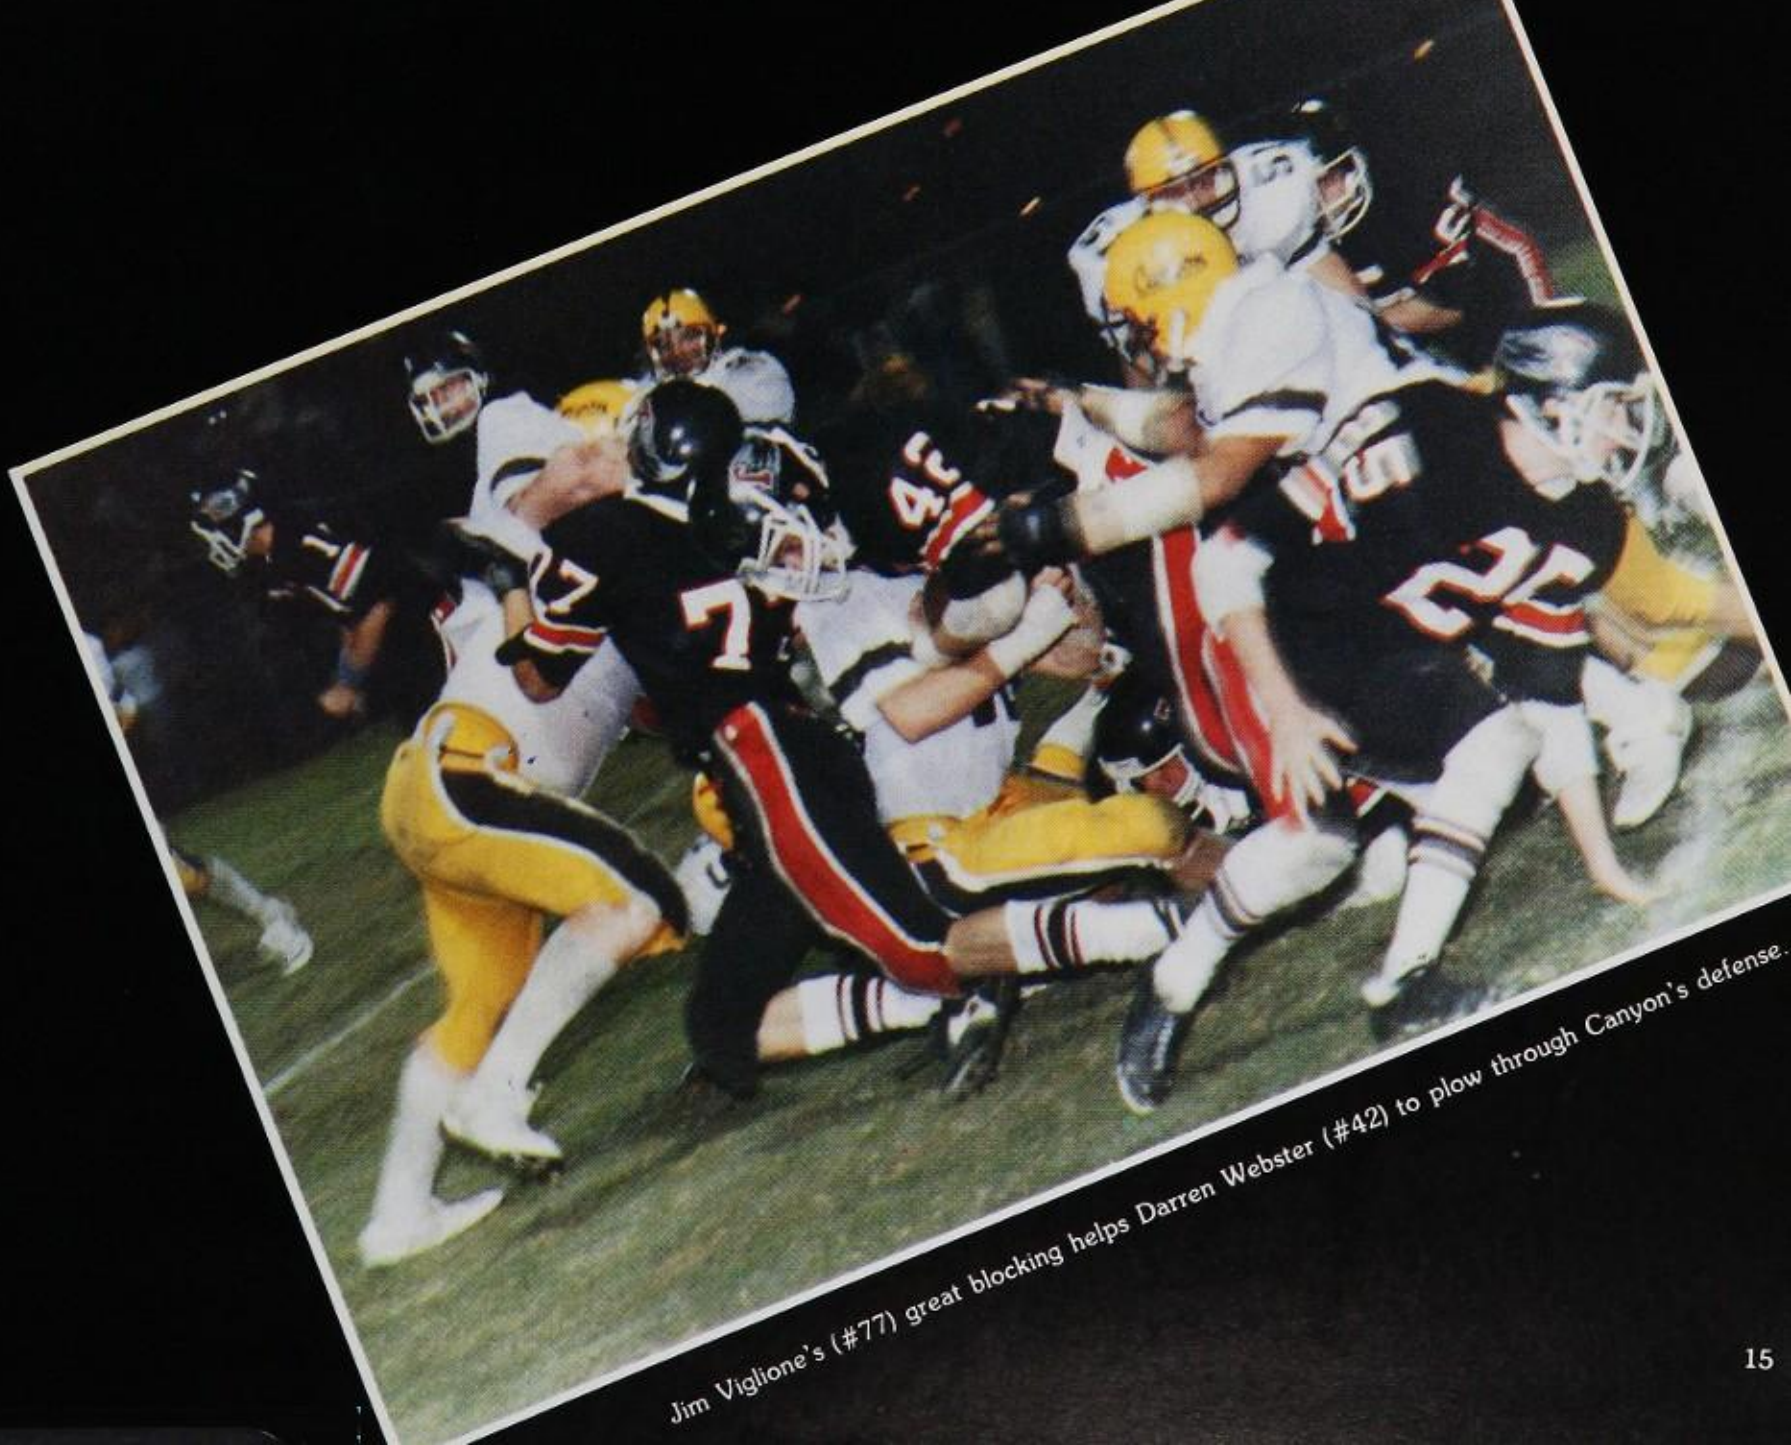
1. Pride, love, and happiness is what the faces of these fathers express for their daughters. Homecoming court was made up of Krista Simor, Kathy Shives, Renay Johnson, Julie Hawkins, and Julie Krames.
2. Tonight expressions speak louder than words for Renay Johnson, as she was told she was announced Tustin's 1984 "Homecoming Queen".
3. Ain't no stopping a stampede of awesome Tillers.

The 1984 Homecoming game was a meaningful game for the Tillers in a lot of ways. It topped off a week of fun on the campus including food sales, games, races, Mr. Tiller, and the announcing of the Homecoming court. The Homecoming game is always fun and exciting but this year it meant a little more. If the Tillers won, it would have more or less clinched them a birth in the C.I.F. play-offs as a wild card team. The theme this year was "Up, Up, and Away," and it set the mood for the game and at the half time the Tillers were enjoying a 16-0 lead, balloons were released, fireworks were set off, and a parachuter dropped in with roses for newly crowned Queen Renay Johnson. That lead backfired on the Tillers when Canyon fought back to score 27 unanswered 2nd half points to send the Tillers play-off chances "Up, Up, and Away." The final score was Canyon 27, Tustin 23.



Some people will try anything to announce our new "Homecoming Queen".



Jim Viglione's (#77) great blocking helps Darren Webster (#42) to plow through Canyon's defense.

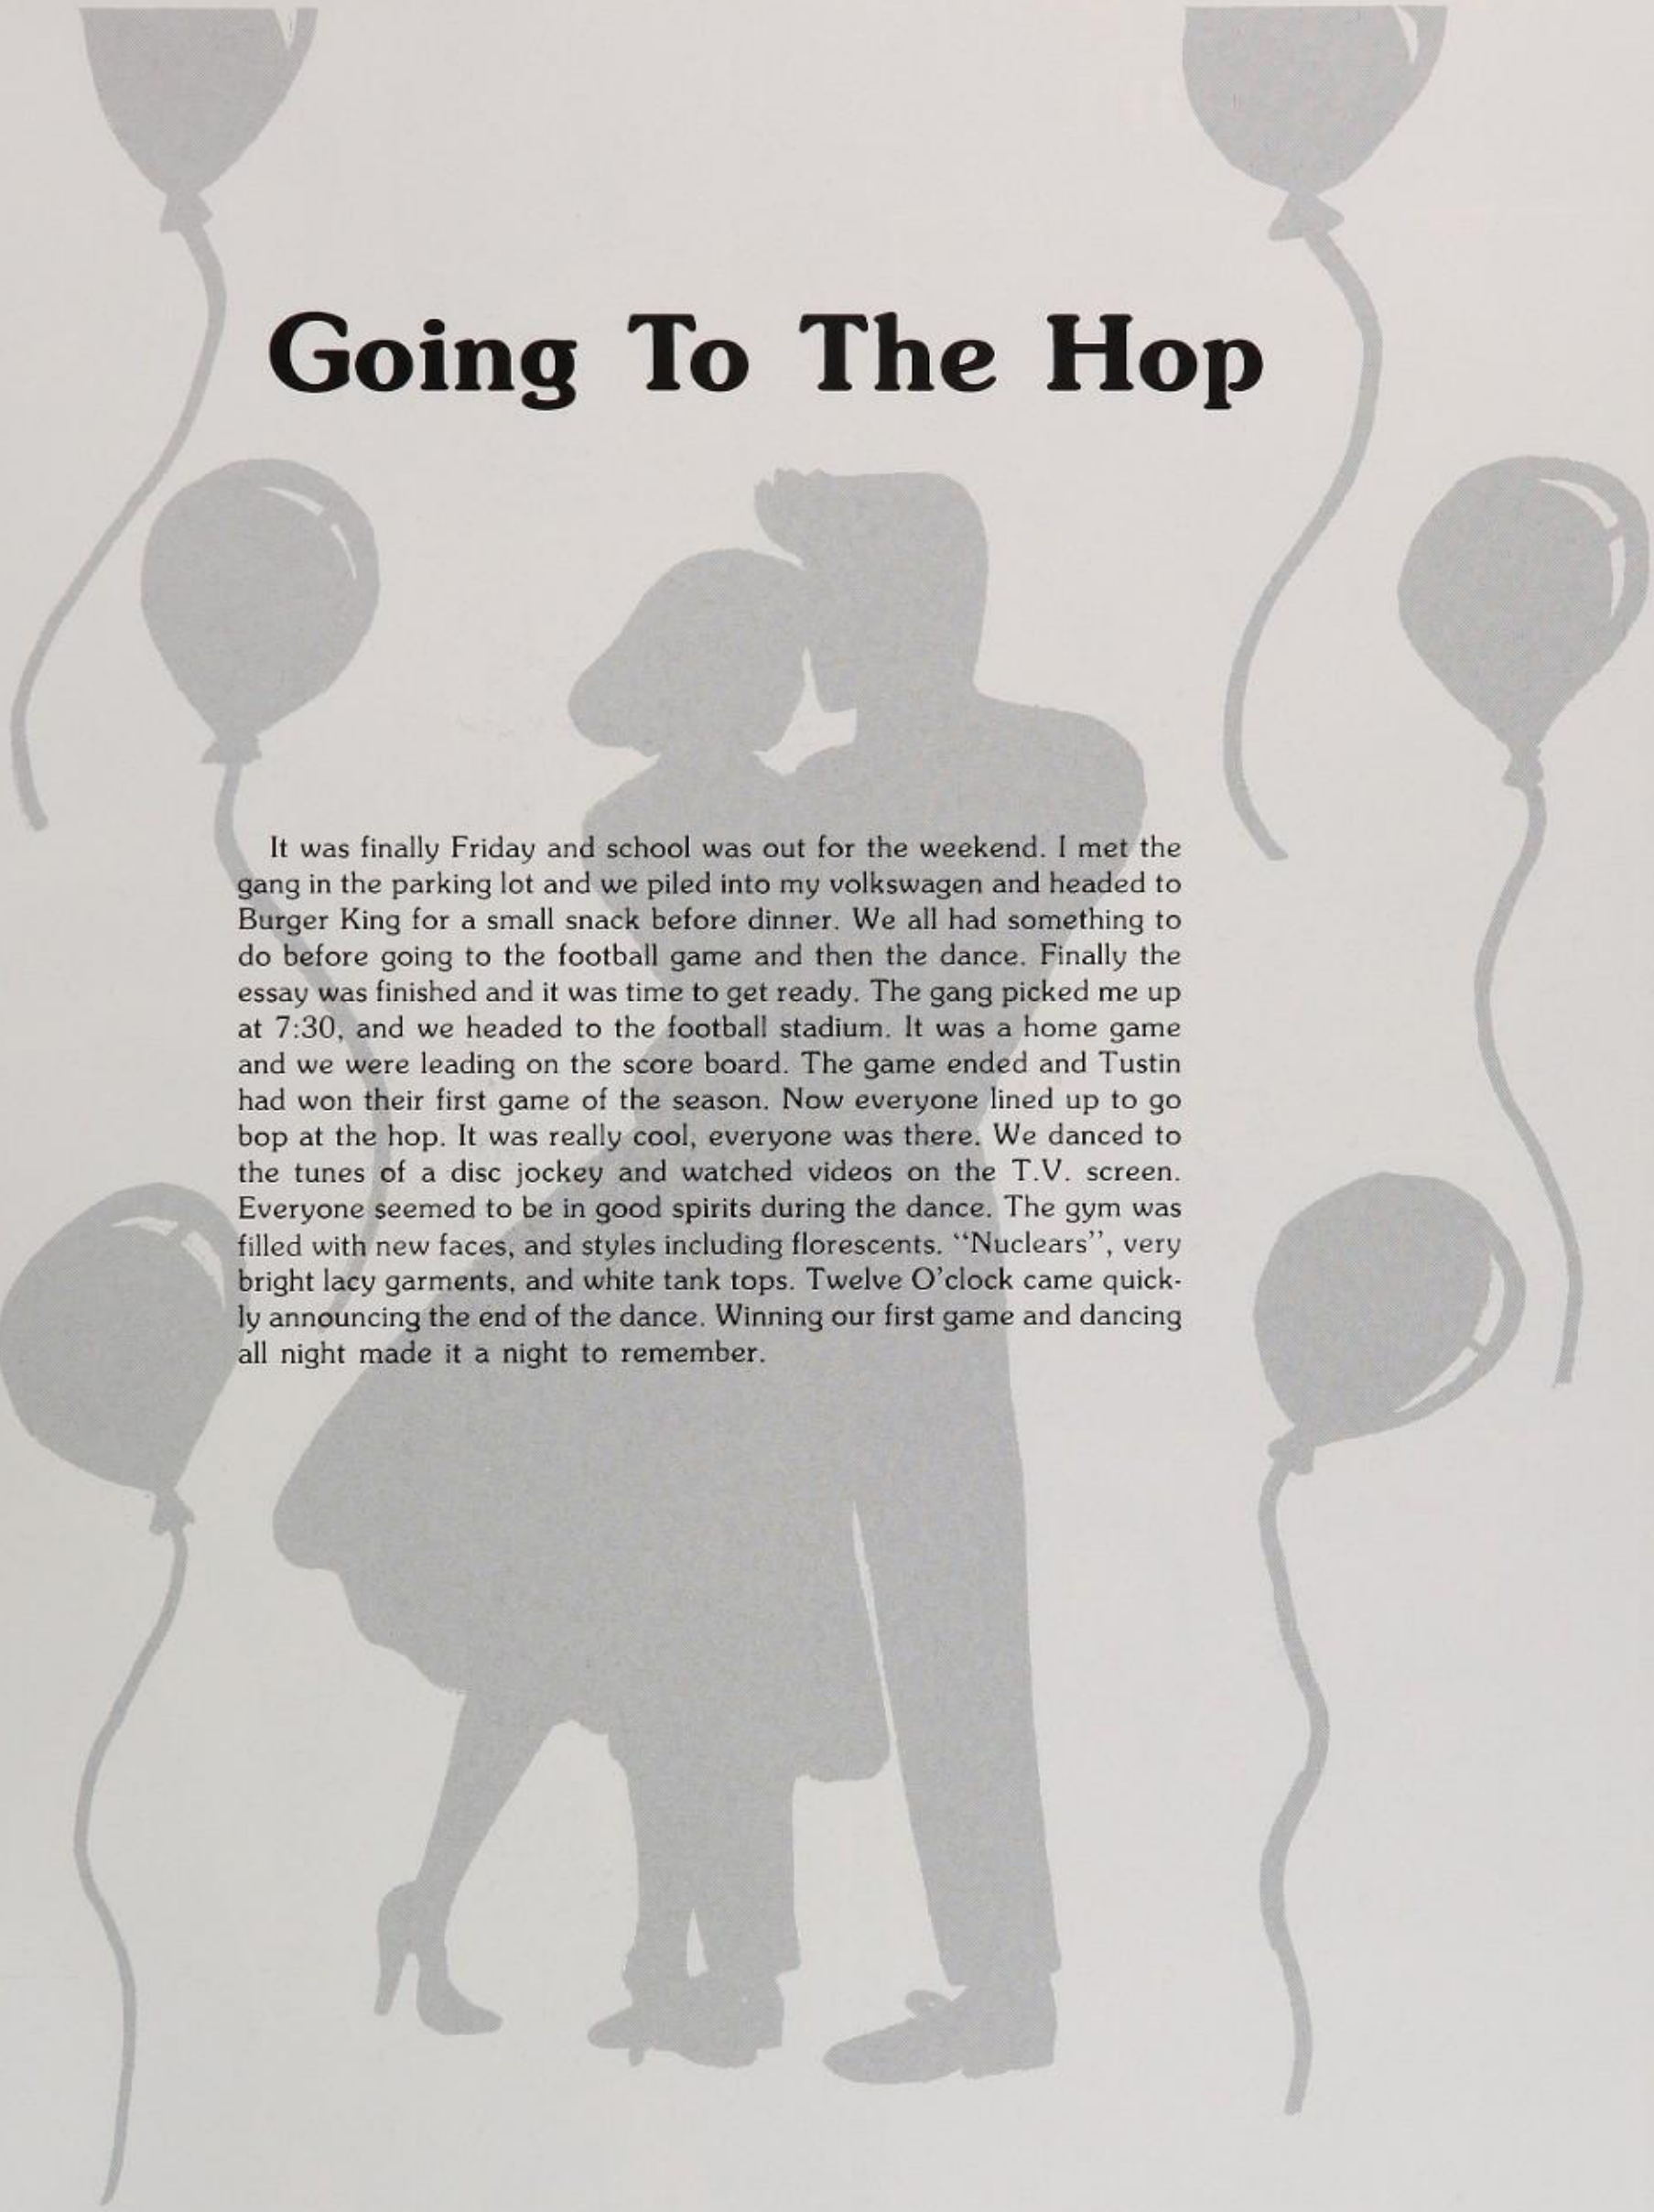
Going To The Hop



It was finally Friday and school was out for the weekend. I met the gang in the parking lot and we piled into my volkswagen and headed to Burger King for a small snack before dinner. We all had something to do before going to the football game and then the dance. Finally the essay was finished and it was time to get ready. The gang picked me up at 7:30, and we headed to the football stadium. It was a home game and we were leading on the score board. The game ended and Tustin had won their first game of the season. Now everyone lined up to go bop at the hop. It was really cool, everyone was there. We danced to the tunes of a disc jockey and watched videos on the T.V. screen. Everyone seemed to be in good spirits during the dance. The gym was filled with new faces, and styles including florescents. "Nuclears", very bright lacy garments, and white tank tops. Twelve O'clock came quickly announcing the end of the dance. Winning our first game and dancing all night made it a night to remember.

Talent Displayed At Winter Assembly

The ASB and Dana Hyde worked hard together to make the Winter Assembly a success. The mandatory assembly was held December 21st.

Student talent was on display as Bob Hamilton performed a drum solo, Mandy Bawden displayed her ballet talents, and the jazz band performed.

Other talent exhibited included Break Dancing, Juggling, and a dance by Betsy Nelson. The Peter Popadopalis band performed as well as Art Reynolds who received a standing ovation for his great performance.

Santa Claus finished the assembly by granting wishes to good little boys and girls.

Winter Formal A Night To Remember

The long awaited day of December 16th had finally come. All the girls were putting on that last bit of lipstick and preparing the last touches to their beautiful formals which ranged from frilly to silky. Meanwhile, all the guys were splashing on their cologne and fastening the buttons on their fitted tuxedos, all getting ready to start the night off right!

By dining before the dance most couples made it so that they could enjoy all five hours of the dance from 9:00 to 1:00 a.m. The theme "Hold Me Now," described most of the couples who had pictures taken and danced while listening to the band "Scandel", which provided great entertainment.

Winter Formal '84 was put on by the ASB and was very successful, and maybe for everyone it can be a dance thought always as, A Night to Remember!

1. The theme "Hold me Now," was expressed most perfectly by Samantha Taylor and Steve Marsh.
2. Jeff Wright and Danette Diaz DeLeon show how much fun dances can be with the lastest dance steps.
3. Kelly McLean, Kristen Evans, and Robyn Relph show that all girls want to do is have fun!

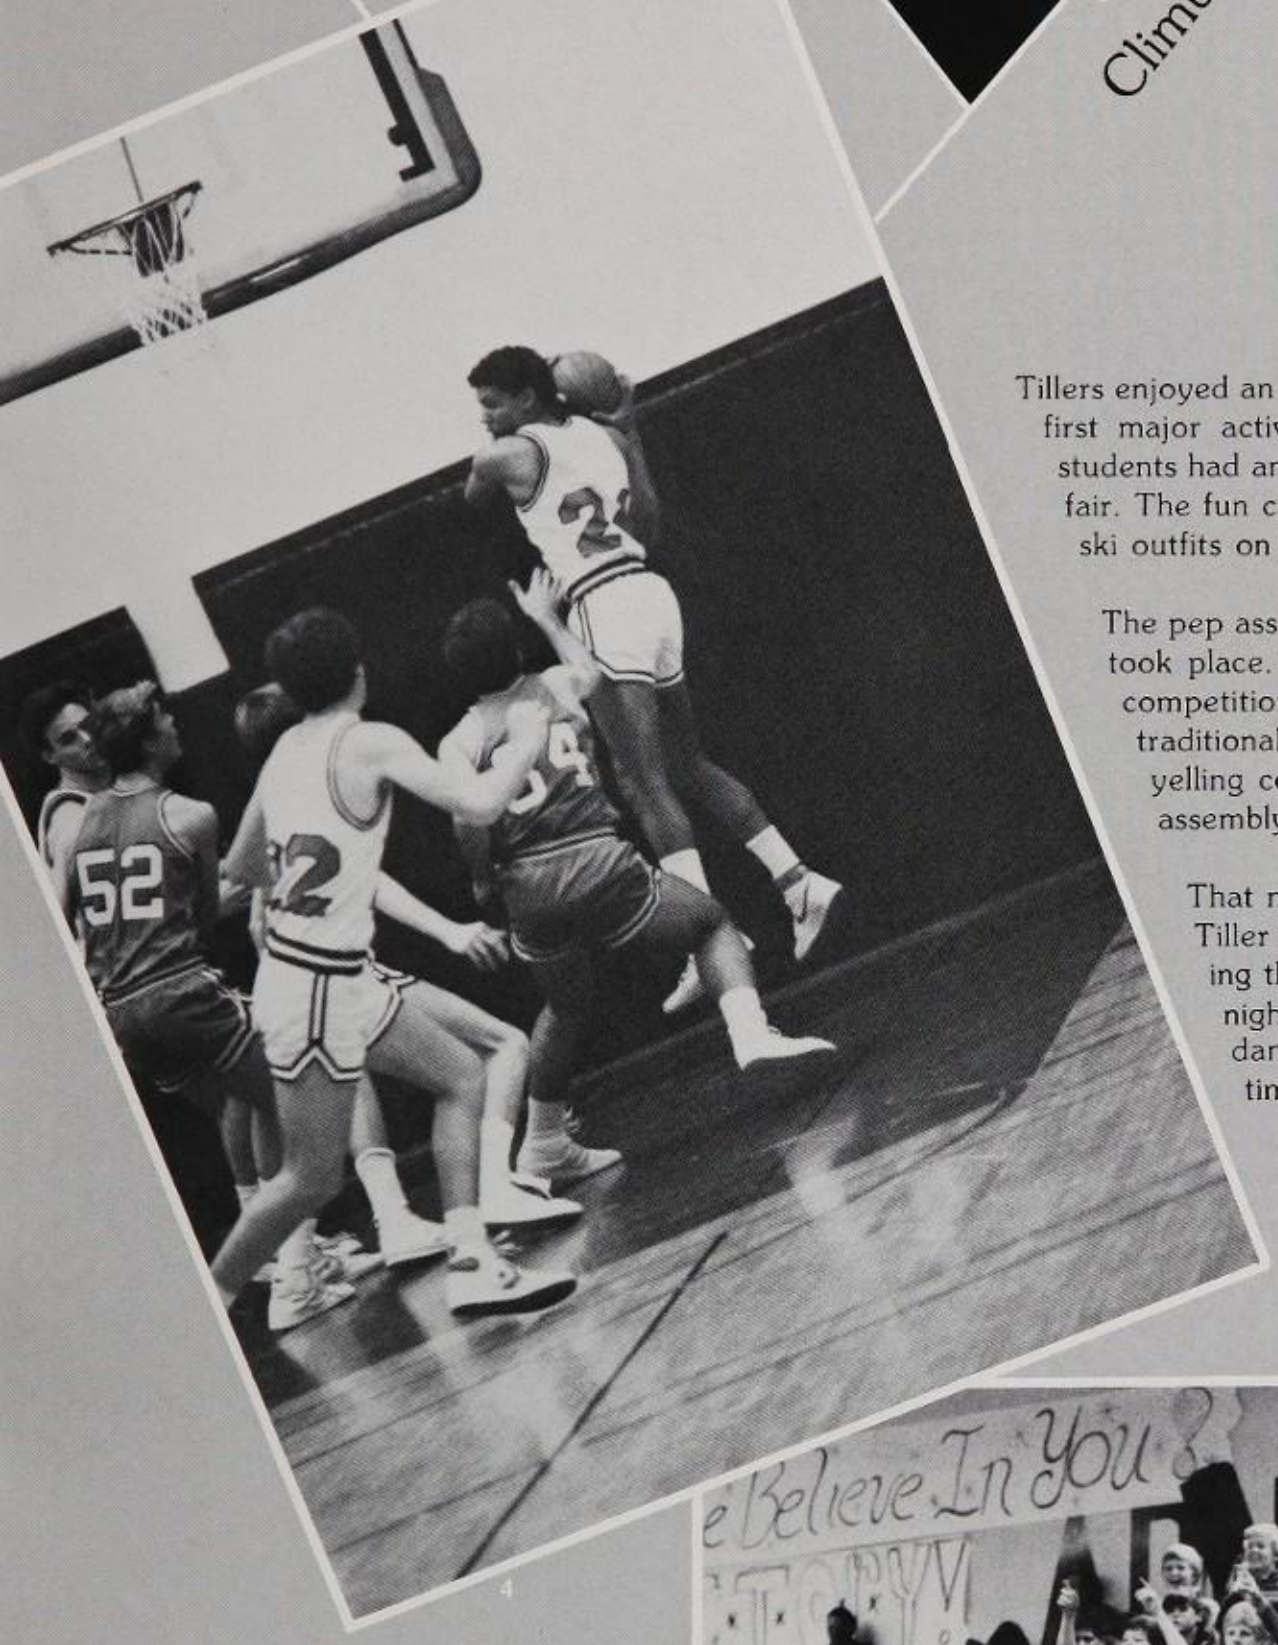
Pep Week Climbs To New Heights



Tillers enjoyed an exciting Pep Week from January 15 to the 19. The first major activity took place on Wednesday. During lunch the students had an opportunity to eat donuts, pizza, and yogurt at the fair. The fun continued when students dressed up in their favorite ski outfits on Friday.

The pep assembly was another one of the exciting activities that took place. The Seniors overwhelmed the other classes in the competition that took place. The competition consisted of the traditional blanket chariot race, a tug-of-war, and the class yelling competition. The Tillers had an exciting time at the assembly.

That night the pep game took place in Tustin's gym. The Tiller basketball team was victorious over Villa Park. During the half-time the court was announced and later that night Tillers ended up the week by attending the pep dance. The whole week consisted of fun and exciting times for Tustin students.

Dancing In The Snow

The annual Pep Dance was held after the crowning of the Pep Court and the first victory of the basketball season. The cafeteria was transformed into the ski slopes of California. Pictures were taken by "Hot Shots", while students danced to the tunes of "Have Music will Travel". The 1984/85 pep squad sponsored this event.

Valentine Dance Was A Dance Of Heart And Cheer

The cafeteria was transformed in to a romantic atmosphere full of hearts and roses. Everyone dressed in pastels and looked so bright. There was a variety in the music, played by *Good Vibrations*, including Elvis, Pole Cats, Roman Holiday and Madona. There was alot of room to dance, the seats were filled. There were plenty of refreshments.

ASB: Gets Students Involved

This year the ASB did a great job getting students involved with activities going on around school. This year's advisor was Mr. Waterman. This was Mr. Waterman's second year. He was also active in coaching football, basketball, and as a math teacher.

The ASB was made up of 20 members; ASB President, VP, Secretary, Treasurer, Elections Commissioner, Fine Arts Commissioner, Inner club rep., Athletics Commissioner, Pep Commissioner, Activities Commissioner, Council rep., and the 2 class officers from each class (President, Sec.-Treas.) Each had a job to make the school year a year not to forget. Everyone was very dedicated and the ASB put together Dances, Assemblies, the Tiller Fair, and gave out person of the month awards to a student, staff, and faculty member who gave extra service to the school or community.

ASB provided leadership to the school and students and helped coordinate all student activities.

Pep Squad Promotes Spirit

Each year many enthusiastic girls try-out for pep squad. Being on pep squad is a good way of getting involved and promoting spirit. Pep squad try-outs are held during the first or second week of December. A selected number of girls are chosen to represent our school. But being on pep squad is not all fun and games, it takes alot of hard work and commitment. Each member must work very hard and be able to work well with others.

This is the first year that THS has had two yell leaders, Kara Mehrer and Jaelyn Brown. Kara Mehrer quoted, "I'd do it again in a minute." We also had two mascots this year, Michelle Audet and Laura Mullenger. Michelle Audet said, "Theres more work involved than I'd thought, but it is all worth it!" Krista Simor has been involved in pep squad all four years of high school. Krista commented, "Pep Squad gave me a chance to become really close to alot of people." Returning Varsity Cheerleader, Traci White, remarked, "When I look back to being on pep squad my junior and senior year, I'll have precious memories to cherish."

These girls and many others will remember the good times they had when they were on pep squad.

Tustin's Marching Unit Hits The Right Notes.

The '84-'85 marching unit, consisting of band, drill, flags, and majorettes, worked really hard this year. "The band units have faired well even though they were up against some stiff competition," commented band director Mr. Nowak. The units did fairly well. They started the year by winning second at Tustin Tiller Day's parade.

Besides practicing during zero and first periods, they have spent several Wednesday nights going over their performances. These practices paid off in the many competitions that were held. A few of these were two Western High field show competitions, the Chino Band Review, and the Long Beach All Western Band Review. Besides competition, the units performed at every home game. Johnny Spiak summed it up by saying that "it has been lots of fun."

Keywanettes Adopt New Traditions

The Keywanettes handed over the annual Winter Formal Dance to the ASB and adopted a new tradition, a Valentines Dance. The Father-Daughter Dinner was once again held in April. Besides dinner the girls and their fathers participated in the look alike contest and Father of the Year essay contest.

Besides all of the fun activities, Keywanettes is really a community service club. This year a car wash was held in September for the Adam Walsh Foundation, and together the Keywanette and Key Clubs sponsored The American Red Cross Blood Drive. Tustin Tiller Days was a major three day event! The Keywanette booth successfully sold Barro's Pizza. Without the help of Mr. and Mrs. Taylor and Mrs. Simor the booth wouldn't have been possible.

New Audion Staff Means Great New Ideas

This year, the Audion staff was facing changes; new people on staff, new ideas, and new themes were discovered. With such a large new staff, the first few weeks of class were spent in reading the Yearbook Handbook. Through this book, the staff learned the basic language of the yearbook, how to design and orginized page layouts, and how to write articles and features which they used throughout the yearbook. Also, the staff gathered and sold ads from businesses in and around Tustin.

After all this, the staff decided on the theme, New Directions, and began working on the actual 84-85 Audion. Under the supervision of the advisor, Dennis Boucher, the editor, Krista Simor, and the assistant editors, Gloria Grucelski and Gina Harker, worked with Steve Wagner, the publisher's representative, to begin discussion and work on the Audion. The staff organized ideas and layouts, and met deadlines. They worked together and separately in small groups on each section they were assigned to, with a head person, or editor advising.

The heads of each section were the following: Theme-Krista Simor, Activities-Gina Harker, Clubs-Gloria Grucelski, Sports-Greg Kossak, Faculty/Academics-Lisa Bailey, Senior Section-Samantha Taylor, Junior Section-Tara Brown, Sophomore Section-Amy Coombs, Closing-Sara Culver and the photographers were Devin Righter, Brian Person, and Teresa Person. Pictures were taken and articles were done, as they worked to meet the deadlines, and tried to make the best book ever. Their goal was to make the 84-85 Audion the best it could possibly be.

The New Life Club Spreads Friendship

The New Life Club gave the opportunity for Tustin students to fellowship. They got together and met new friends who had the same interest-Jesus Christ! The most popular activity for members was going to "The Door" at Calvary Church after football games. Christians from all over got together for fun and fellowship. This year the senate got involved in school activities. Every month the senate meet as one big group to go over the budget, to discuss upcoming activities, and just to let the students know what went on. The Senate helped their class officers. They helped organize fundraisers, class dances and paint posters. This year the Senate was instrumental in helping Tustin High Tillers have a memorable year. This year all the meetings were presided by ASB Vice-President Mark Ziegenhagen.

ICC Takes Leadership

Inner Club Council consisted of one representative from each club and the ICC President. During the year they planed three fairs: The Tiller Fair, The Pep Fair, and The Health Fair. The clubs could sell at one of the three fairs to raise the money they needed. The clubs were free to do almost anything they want and have charters, constitutions and accounts on file all year long.

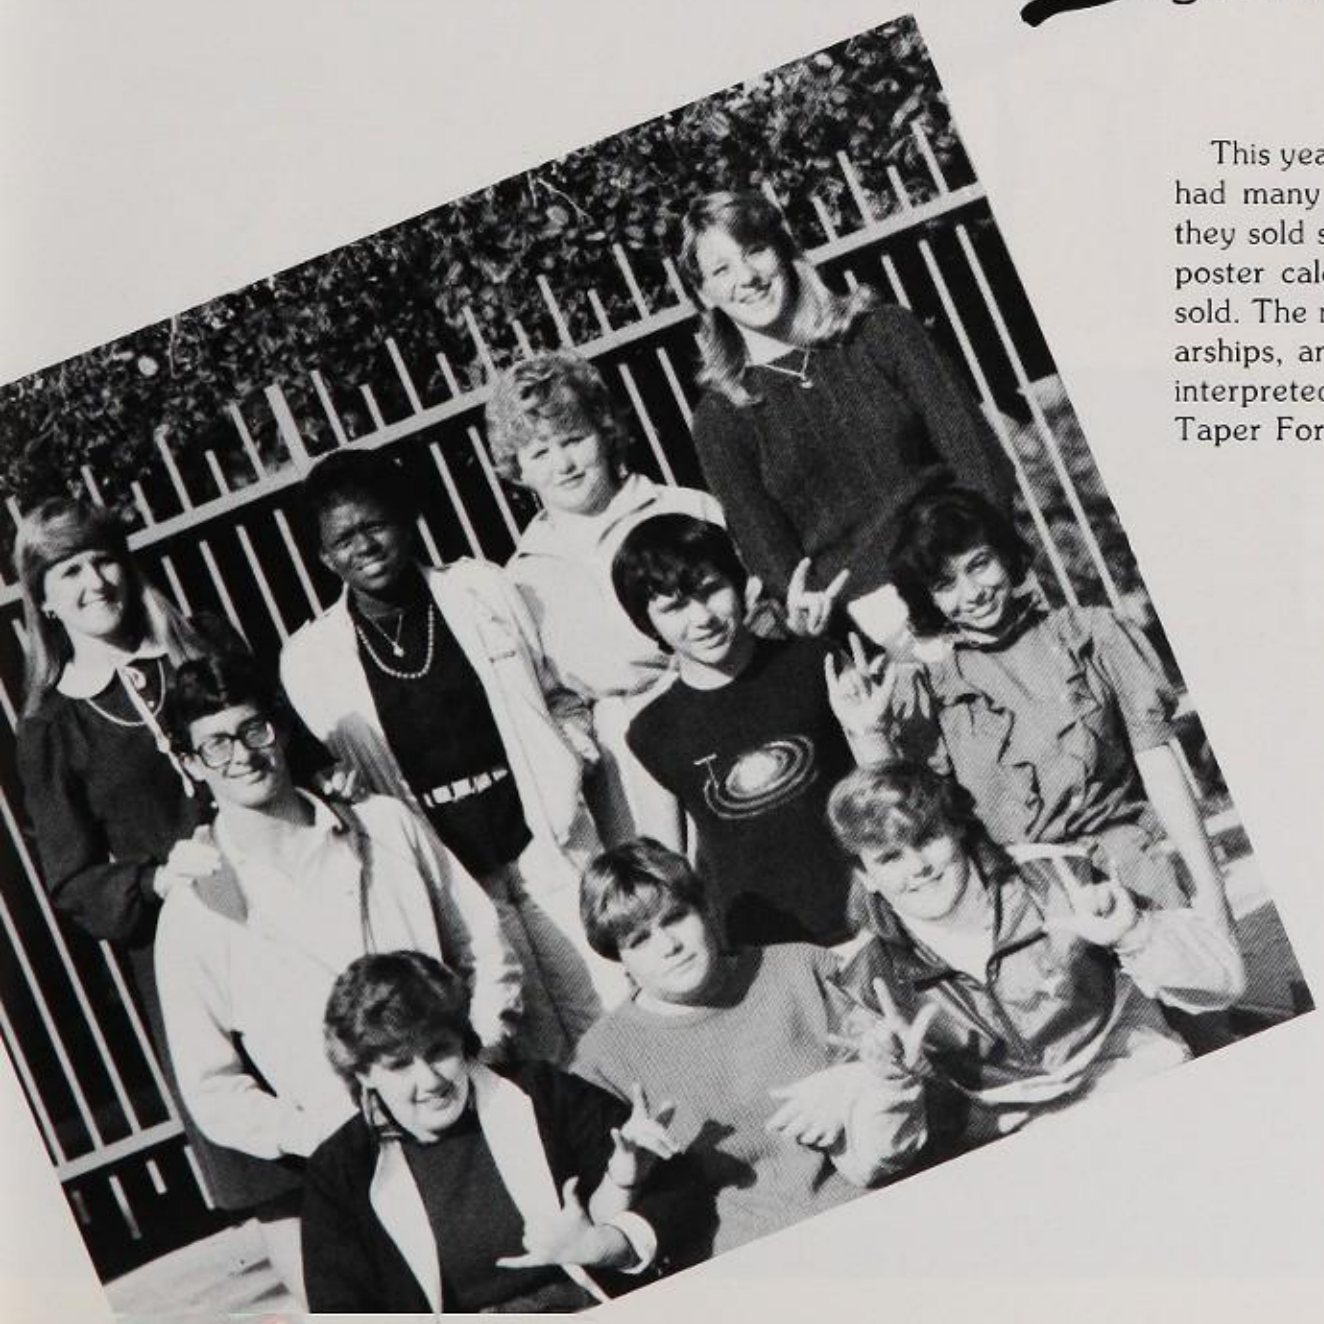
Sign Language Association



This year was a busy one for the Sign Language Club. They had many fundraising activities. During Homecoming Week they sold sodas and See's suckers. For Christmas pocket and poster calenders were sold. At Easter chocolate eggs were sold. The money earned was used for field trips, senior scholarships, and the African famine drive. Students attended an interpreted performance of Hands of It's Enemy at the Mark Taper Forum. This play then continued on Broadway.

Clubs Enjoys Life

Backpacking Club- "Activity" is the word that describes the Backpacking Club. Climbing mountain trails to secluded camps in our local wilderness areas. Hikes in the snow and sometimes in the rain. Good friendships around the campfires. These are some of the things that get our members out on our once a month hikes. The summer usually brings the traditional 50-60 mile hike in the Sierras. This summer's Sierra hike should see us going south of Mono Creek, but just north of Bishop.

Connoisseur Club- The Connoisseur Club is composed of people who enjoys the finer things of life. The club's activities are attending plays, concerts, and of course dining at the area's finer establishments.

Tustin Gaming Club- We here at the Tustin Gaming Club participate in the role-playing of fantasy, science fiction, and also strategic war tactical simulations. The TGC provides for gaming, limited only by your imagination. It is also a haven for homework ditchers.

Chess Club- The Tustin High School Chess Club has been active this year, as previous years, in interschool competition with Buena Park, Marina, Sunny Hills, and Villa Park High School Chess Teams. Although we have never been last in the standings as the competition draws to a close, neither have we been first. This year we have a chance.

Kim Sang has been a good president-encouraging our teams to play and to practice to improve their play. Perhaps this will be *Our Year!*

The Latin club was established at Tustin High in order to give students an opportunity to meet outside the classroom for social events and cultural activities. During the year the club has planned to have a banquet and a visit the Harlequin Dinner theatre to see the play "A Funny thing happened on the way to the Forum." The Latin Club, under the leadership of adviser Ellen Berry, is steadily becoming one of the most fun and worthwhile clubs on campus.

The **Spanish club** is a club meant to teach those of the Spanish cultures about the world. Our main goal is to gain money for trips, party's, financial aide to those who wish to pursue the language in college and to have a good time. Since the club is in it's first year, not much has been accomplished due to having to learn how to keep a club running smoothly and functioning at its best. So far we have done pretty well for a club just starting, but hopefully the club will grow to be successful in the future.

AFS International Club

AFS International promoted peace and understanding between nations and cultures by sending students throughout the world to study. The club on campus offered emotional support to the exchange students who studied here, at Tustin High.

Their goal was to have fun. They have been to Magic Mountain, and had the AFS day at Knott's. They are also planning to go ice skating and watch the filming of a television show. The exchange students here at Tustin High are very special and will not be forgotten.

The *Model U.N.* is a replica of the real United Nations in New York. Students participate in actual conferences by representing nations and trying to solve world problems through discussion and negotiation. One learns the inner workings of the United Nations and international diplomacy. The *Scholars Club* is a social club for students who excel in academics. As such, it helps develop scholars socially as well as intellectually. The club's activities, however, are not limited to do social things. They do things for the community as well as the school as well.

Lettermen's Club And CSF Show Their Pride

Letterman's Club-This was the first year for the Lettermen's Club on campus. The purpose of the club was to be of service and a credit to the school at all times by promoting and practicing good sportsmanship on all athletic teams. They also help support all varsity sports on campus. These guidelines were carried out by all members of the club as agreed upon by the *VARSITY COUNCIL* consisting of Mark Ziegenhagen, Kirby Piazza, Kelly Ryan, Pat Hegarty, and Darren Webster.

CSF-The purpose of CSF is to reconize and promote academic excellence. Students must apply for membership each semester and are only eligible with a minimum of three A's and one B in academic work. Seniors who have been members of the club for four of the last six semesters become "Sealbearers" and are recognized for their acheivements at graduation. Service activities include a tutoring referral list, and a fund raiser for Sealbearer scholarships. Social activities include CSF night at Disneyland, a regional conference of CSF'ers in the spring at Long Beach.

Concert Choir Music events for this years concert choir have included an exchange concent with Dana Hills High School, the annual music department's Christmas concert, two Christmas concerts at Enderle Center, and a spring concert. In addition to school and local concerts, the choir has competed in several music festivals throughout the year.

Stage Band Stage band has competed in several local jazz festivals which were: Mt. San Antonio College, Fullerton College, Orang Cost College, and Cal. Poly, Pomona. The Stage band has also competed in the renown Reno International Jazz Festival, located in Reno, Nevada. School concerts included the Christmas assembly, the annual music department Christmas concert and a jazz concert with special guest artist, Gary Fuster.

LCA Film Club In the LCA club, they are exploring the methods of making movies and the skills involved. This includes lighting, editing, and script writing. The LCA club made a film called "The Freshmen", this year. They use 8mm. film.

Thespian Club The thespians, as well as the other participants in drama, engaged in a number of dramatic competitions in which representatives from many different schools competed for awards. These college festivals were not at all unlike sports events. This years major play was "Don't Drink The Water." It was a magnificent success. In May, there was 4 plays, directed and produced by students. These plays and the performers in them were judged in various categories such as best actor, best actress, and best play. The judges of these "academy awards" are theatre professionals, teachers and graduates. The awards banquet was at the end of May.

Don't Drink The Water

Tustin High School's Theatre Arts department presented Woody Allen's brilliant comedy, DON'T DRINK THE WATER, on December 6, 7, 8, 1984 at the Tustin High Little Theatre.

DON'T DRINK THE WATER is a cascade of comedy that takes place inside an American embassy somewhere behind the iron curtain. An American tourist, a catere by trade, and his family rush into the embassy just ahead of the Communist police who suspect them of spying. But, alas, the refuge is not what it's cracked up to be, and the events that followed were filled with non-stop laughter and hilarity.

Tillers Gain Respect

The Tustin Tiller football team has undergone a drastic change this year. The Tillers went from 1 and 9 last year to 6 and 4 this year. Much of the change has come because of the hard work and experience of head coach Marijon Ancich. Coach Marijon Ancich brought the Tillers from the bottom of the basement to a very respectable fourth place in the century league. The 1984 Tillers football team was the first Tustin team to begin century league play with a 4 - 0 record.

Leading the team to victory this year was fullback Darren Webster. Darren was at the top of the rushing statistics for Orange County throughout the entire season. Quarterback Pat Hagerty was also at the top of the passing charts for Orange County.

This year five Tillers, Mark Ziegenhagen, Willy Thomas, Kirby Piazza, Tom Wilker, and Darren Webster were named to the first team all league. Six Tillers were also named to second team all league, Joe Kovac, John Ashman, Pat Hagerty, Shawn Pereria, Dave Pellatier, and Sean Quinn. This is the most Tiller players to be given all league honors in Tustin football history. These players along with many others have brought respect back to Tustin Football!

Frosh/Soph Football Building For Success

The Sophomore Football team had an impressive season under first year coach Tony Wyatt. The Tillers came in 2nd in league. Tustin had big victorys over Elmo, Santa Ana, and Canyon. Tustin played Foothill great the whole game before losing 7-3. This Offensive group is led by Chris Tomczak, Mike Macias, Dave Patsone, and Tim Russell. The Defensive group is led by Dale Koerber, Brain Hardin, Kevin Hungerford, and Shawn Reagin. The Sophomores are ready to move up to the Varsity level and keep the winning tradition going.

This year's Freshmen Football Team completed one of the most successful seasons on record with a 7-2 record. Five of those nine games were won by shutout. The Team was led by Team Captains Jim Russell and Jeff Dart. Outstanding Individuals on Offense were: Dane Machado, Jim Russell, Tony Cena, Marshall Eddy, Kevin Villar, Rob Baldwin, and Scott Pulaski. Defensive standouts were: Jeff Dart, Jason Miley, George Menges, Chris Gankema, Eric Benjamin.

Girl's Cross Country takes 1st place at Orange County Championships!

This year's Girl's Varsity Cross Country Team continued a tradition of excellence. They breezed to the Century League title and ran their dual meet win streak to 20 in a row. A 31 point win over Foothill capped the League Final win and the girls then continued with a 2nd place finish at CIF Prelims and a 6th place overall finish at CIF 4A Division Finals. Another one of their accomplishments were in taking 1st place at the Orange County Championships.

Individually, the team was paced by Laurie Reider and Donna Fleagle. Both girls were selected to the 1st Century All League Team. Laurie, a Sophomore, was also selected 1st All Orange County Team and Donna, a Senior, making 2nd All Orange County Team.

Contributing to the success of the team were the following athletes. Kelly Mc Cormick, Sr., Lisa Dilger, Sr. Katy Farney, Sr., Shannon Augustine, Jr., and Michelle Guenette, Soph.

This was a second straight League Championship for the Girl's Junior Varsity Team, including the first 5 places in League Finals. Also included were J.V. Championships at Woodbridge Invitational, Dana Hills Invitational, and Orange County Championships, while a seperate Sophomore Team won Sweepstakes Honors at Mt. SAC.

Tiller Cross Country Rises Through Strenuous Competition!

With hard work and dedication the Boy's Varsity Cross Country Team improved a great deal this year. The team finished the season in 4th place in CIF's toughest league. Coach Tom Coffey felt that this was his hardest working team ever with good attitudes from top to bottom.

The Boy's Junior Varsity worked very hard this year, but the lack of depth hurt them as a team.

The Boy's Frosh/Soph capped their season by winning the League Final meet by 20 points over their nearest rival. Because of some early season losses they finished second overall by ½ point to El Modena. The Sophomore Team also competed in the overall Championship at the Orange County Championships.

Revenge Of The Squids

The THS water polo team enjoyed another successful season this year. The Tillers made their fourth consecutive playoff appearance in addition to ranking in the top 10 in CIF for most of the season. The 12-12 overall record becomes more impressive when one realizes that 17 of the 24 games played were against CIF's top 10 teams. The Tillers also finished runner up in the Villa Park classic.

J.V. Polo Strives For More.

The THS Frosh-Soph and Junior Varsity teams showed the future to be bright for water polo. The 12-4 Frosh-Soph team were co league champs with Santa Ana Valley while the Junior varsity compiled a 7-4 record. Both teams benefitted from a strong Bronze medal finish in the National Junior Olympics held in Florida last summer. The experience was in part responsible for a successful year on all 3 levels.

Teams Gain Valuable Experience

The 1984 season began with young inexperienced but hard working girls forming the Varsity and Junior Varsity teams. As the girls gained confidence and experience they were able to hold their own against tough rivals. Leading the team, were captains Deann Moore and Jenny Wright, playing all season as the number one doubles team. Also playing Varsity-doubles were Suzy Jones with partner Julie James, and Tracy Hoover and Jami Gallaway.

Freshman players Bridgett Rundle and Carrie Sisel led the Varsity singles by playing the number one and two positions. As first year players, they will certainly be an asset to the team as they gain more experience. Sharing the number three singles spot were Jennifer Kim a returning Junior played and returning sophomore Lori Collins. The Junior Varsity doubles were Jennifer Wade, Joanne Eagan, Sara Lundy, Jenny Mumenthaler, Michelle Kiehn and Firozeh Gruber. Single players were Nancy Drouin, a returning Junior, Terri Huth playing number two and Sooyeon Woo number three. Receiving awards at the team banquet were Deann Moore-Coaches Award, Jenny Wright-Varsity most valuable and Julie James-Varsity most improved. The Junior Varsity most valuable player award was given to Nancy Drouin and the most improved award to Jennifer Wade.

Tillers Stand Tall

The 1984-85 Varsity Basketball team had an average height of 6'2" per person and had six players over 6'3". It is almost incredible that the Tillers only won three games in league. The Tillers were 3 and 11 in league and 8 and 17 over all. High points in the Tiller season were the two victories over Villa Park and the forfeit by Canyon. Another Tiller high point was when the varsity team lost the first Foothill game but without a doubt won the confrontation.

One Tiller stand out was Steve Gauer. Steve averaged close to 20 points per game and is receiving a scholarship to Chapman College. Although the Tillers suffered a very frustrating season, they never gave up. They always played to the final second of every game.

Lady Tillers Have A Fine Season

The Lady Tiller Basketball team finished the season with a fine 14-11 record. The Tillers enjoyed two successful pre-season tournaments at Savanna and Costa Mesa. At Savanna, the posted a 2-2 record with an impressive victory over highly touted Mission Viejo, a team Tustin hadn't beaten in five years. Then, the following week, the Tillers won the consolation championship at Costa Mesa with a 74-38 victory over Saddleback. In league, the Tillers finished third while winning 9 games and losing 5.

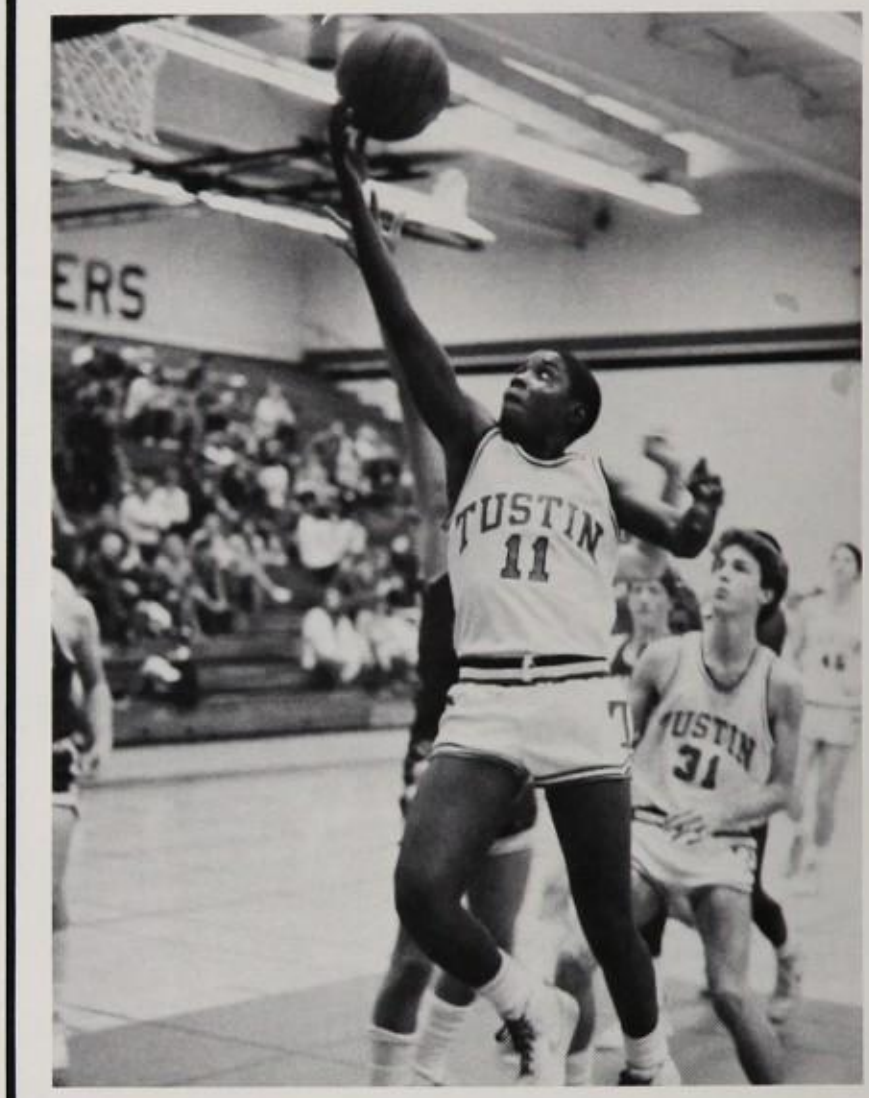
Boys And Girls J.V. Show What They've Got



The J.V.'s were led by M.V.P. Roger Middleton to one of their most successful seasons in recent history utilizing a strong team defense and offense they finished the league season with a very respectable 9-5 record. In addition to Middleton's fine play, the "junior" Tillers were supported by sophomores Vern Broadnax, Eric Hermann, Dave Patstone, Frank Sarrad, and Monte Roberts, as well as freshman George Menges. The future looks bright for Tustin thanks to the fine student-athletes and the coaching efforts of George Gay and Don Swair.

Those Awesome Tillers

The Sophomore's have done it again they've come to the end of another year with another awesome team. The sophomore team consists of fourteen players each with a uniqueness that has added to the teams victories!

With coach Gray's, skills and experience he has brought the words "pride" and "spirit" to life. These players have worked hard for their victories by staying late at after school practices and working out alot on their own.

Like they say, "practice makes perfect" and this year's sophomore team have shown us what a truely perfect team is.

Soccer Overcomes Bad Luck

"Success can not always be measured by wins and losses." This year varsity soccer played well enough to make the C.I.F. playoffs, however a streak of late bad luck in the season kept them out of the playoffs. Outstanding players on the Defense were seniors Drew Wetherholt, Brian Oglesbee and Jeff Kettering. The offense was led by center mid-fielder Greg Levin.

Soccer Century League Champions

The girls soccer program is in its fourth season at Tustin. This years team continues to carry on the "winning tradition." We have qualified for C.I.F. each year of our existence and this year we have repeated as Century League Champions. (League Champions also 1982).

The majority of varsity players are seniors and the team is captained by Susan Tate. There are two players who have lettered for four years-Nancy Knee and Susan Tate.

We have improved our goal scoring ability with Shannon Augustine leading the way, followed by Nancy Knee, Jennie Wright, and Michelle Baranov. The defense has held our opponents scoreless in seven contests this year. The defense being anchored by Meghan Abella, Heather Bell, Deann Moore, Shelly Tolton, and Danielle Relph.

Boys Soccer Had A Successful Year.

The JV team completed a very successful season finishing only ½ game out of first place. The defense recorded 9 shutouts while the offense outscored their opponents 37-14.

The Frosh/Soph team started the year finishing fourth in the South Torrance Tournament, missing the championship by only one goal. They showed steady improvement during the year.

The future for Tustin Soccer is bright and continues to improve.

While the 1984-85 Tustin High Wrestling team was not successful as a duel match team, they were successful in achieving their primary goal at the beginning of the season. That being, qualifying individuals for C.I.F. By the end of the League Finals, Tustin had 5 wrestlers eligible to go on. The Tillers were led by Steve Polley, 2nd in the league, and Willey Thomas 3rd in the league. The team was young in the 84-85 campaign and will graduate only three wrestlers from the Varsity line up, while four underclassmen completed regularly for Tustin. Progress was the key this year. The experience gained this year will make Tustin a foundable foe in the years to come.

The Girl's Varsity Pulls Through In The End

The season looks to be like another fine year for the Girl's Varsity. With a successful record of 6-1. The "Ladies Tillers" battled Foothill for league honors. Juniors Casie Grant, Jan Beveridge, Christie Peter, Trish Webb and Senior Julie Hawkins led the girls toward outstanding positions with the other teams from different schools. The teams sent several competitors to C.I.F.

JV Teams Have Great Season

The girls Junior Varsity swim team is on the way to the top. The "Lady Tillers" have been doing great this season. Their record is 6-1. Their only loss was to the Foothill JV Girls. "The girls have one more chance," said Coach Paul Davidson, "We could be co-champs with Foothill.' In order to do that, the girls must win the dual meet against Foothill.

The Junior Varsity boys are also in the same situation. They are also 6-1, with a loss to Foothill. "We have been working out hard lately," said coach Jeff Campbell, "Now we'll start to taper our yards." The boys have had workouts during Easter Vacation and on weekends.

Tustin Girls Ran Their Way To A Good Season!

Anchored by 4-year letter winners, Nikki Lind (shot and Discus) and Kelly Mc Cormick (880 and Mile) the Tiller Girls won the Century League Dual Meet Championship on the strength of a 67-60 win over Foothill. Dawn Doron had a great season and led Tustin girls with her high jumping ability. Tustin Highs hurdler Kim Collins helped win the Century League Championship. Nikki Lind, Tustin's shot putter improved a great deal from last year. Laurie Reider and Kelly Mc Cormick led Tustin High with the distance events. Altogether Tustin did very well in the 1985 season.

Baseball's A Swinging Success

The 1984-85 Tiller baseball team has brought some swinging times to T.H.S. with seven out of sixteen players returning, it is almost without a doubt that the Tillers are off to a tremendous start. In pre-league the Tillers beat both Foothill and Corona Del Mar, who were ranked in the top ten. For the second year in a row they also won the Tustin Tournament. This year's Tillers were led by: Dave Staton, Steve Surico, Jeff Smith, Dean Roberts, Mike Morehead, Ken Lynch, and Jim O'Connell.

JV Has Terrific Season

Our JV Baseball this season was tied for 1st, with a win/loss record of three to one. With the help of Chris Floth we had outstanding pitching, and the team all together had a good defense. The hitting needs to come around a little, we could possibly have won the championship. The team needs to gain a little more pitching depth, and a few backups otherwise the team as a whole had a terrific season.

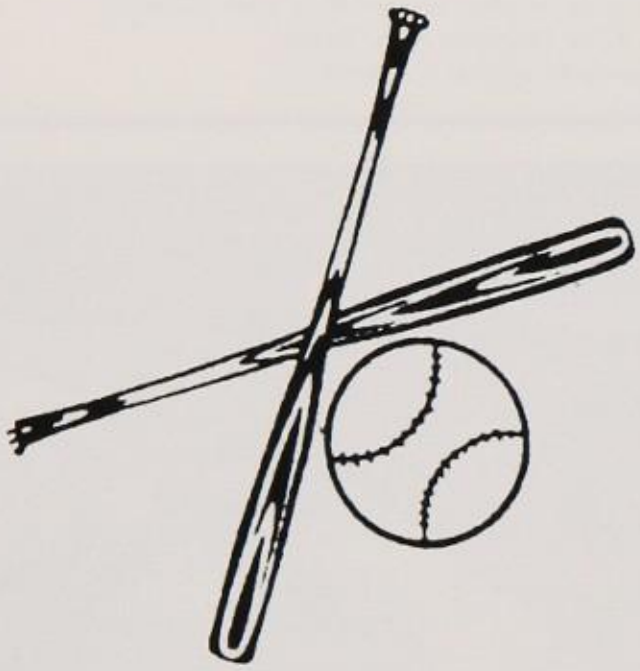
Softball Looks Forward To Good Season



The New softball teams have been chosen and it looks like Tustin is going to have another good year. The head coach of the varsity, Miss Skinner, said the practices are going well but the season is approaching fast so they are going to have to hustle if they want to be winners. The head coach of the junior varsity is Miss Seidenberg and the assistant coach is Diane Jacobson.

The girls practice at Peppertree Park everyday after school from 2:15 to 5:00. The work is strenuous but rewarding in the end. Miss Skinner commented that the only fault of this years teams is that they need alot of work on hitting but she thinks they'll shape up. Miss Skinner runs a really tight organization but it really works, especially on the discipline and the respect from the players.

Tustin played their first Century League game on Tuesday, March 19. Both teams suffered a loss but they hope to make it up in the rest of the season. They entered the league having a respectable reputation and hope to leave it in the same way.

PEOPLE

Senior Class Excels With Pride

With the closing of our Senior year and our high school career, I would like to congratulate the class of '85 for four great years of dedication and loyalty to Tustin High. You are a class which in itself has defined the words spirit, pride, and enthusiasm.

Though we won't be coming back next year the special friendships that we have made will last a lifetime and the memories that were shared will never be forgotten.

Thanks for allowing me to serve as Senior Class President this year!

Good Luck in the years to come!

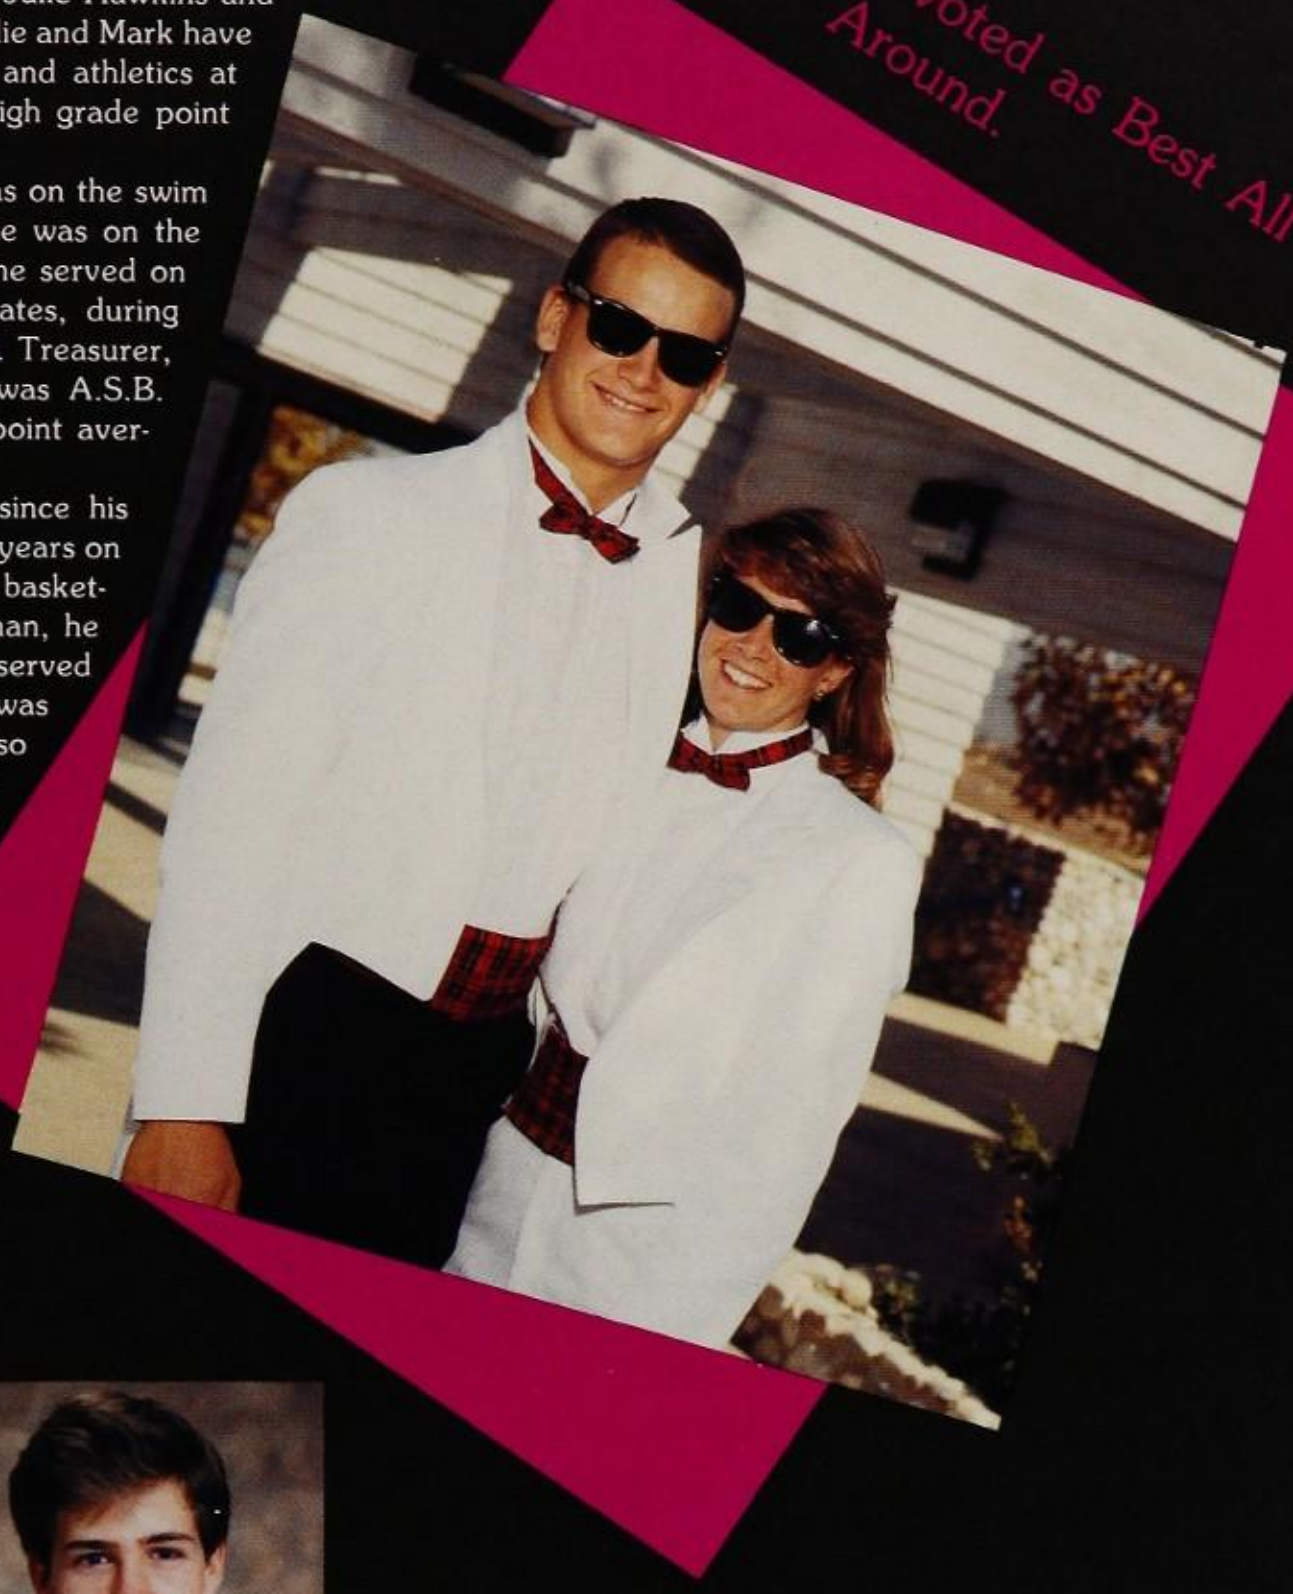
Two Seniors Voted as Best All Around.

This year, the Senior Class voted Julie Hawkins and Mark Ziegenhagen as Senior Best. Julie and Mark have been active in student government and athletics at Tustin High, and both maintained high grade point averages.

Since her Freshman year, Julie was on the swim team, and for her last two years she was on the varsity team. Along with athletics, she served on the Freshman and Sophomore Senates, during her Junior year she served as A.S.B. Treasurer, and through her Senior year, she was A.S.B. President. She maintained a grade point average of 4.0.

Mark played football for Tustin since his Freshman year, spending his last two years on Varsity. He also played baseball and basketball his first two years. As a Freshman, he was class President, as a Junior, he served on Senate, and as a Senior, he was A.S.B. Vice-President. Mark has also maintained a 3.4 grade point average.



Mark Ziegenhagen and Julie Hawkins shine as Senior Best.

On The Road To Success

The Senior Class of 1984-1985 was full of students who will become successful in their futures. But there were two seniors that were voted the *most* likely to succeed. These two students were Julie Spellman and Jeff Alexander. Both Julie and Jeff had been successful at Tustin High and will go far in life.

Julie was a member of the Academic Decathlon Team and was very involved with the Speech and Debate Team. She was the Fine Arts Commissioner for Tustin's A.S.B. her Junior year. Julie also maintained a grade point average well above a 4.0 on top of all her activities. Julie said that she never has any free time, but when she does get a break, she likes to ride motorcycles and spend time with her friends.

Much like Julie, Jeff was also on the Academic Decathlon Team and a member of the Speech And Debate Team. Jeff also took classes at U.C.I., on top of his high school schedule. Jeff also said that he doesn't have any free time, but he tries to find time to travel.

Senior Class Flirts Show Their Style

The senior class voted John Lundy and Leigh Weaver as the biggest flirts. Neither of them really thought of themselves as flirts. Leigh said, "I don't think that I flirt, I just think that I talk to a lot of people." John's opinion was that he flirted a little, "I just have a lot of friends that are girls." But even if they don't think that they are the biggest flirts they do enjoy it. When asked if they like to flirt they both answered, "Yeh."

Look at that dip! John Lundy and Leigh Weaver show their flirting ability.

Tustin's Best Looking Seniors

How many people do you know that can run and finish looking great? Jeff Wright a cross country and track runner can do just that. His freshman year he received Most Valuable Player for both cross country and track. Along with a varsity letter his sophomore year he once again received Most Valuable Player for track.

Sheri Howe a four year drama student at Tustin performed in three plays last year and brought home Best Supporting Actress from the annual Tustin High Academy Awards! Sheri also ran cross country and track her freshman and sophomore year.

Two Students Who Have Personality Plus.

Being nominated "Best Personality" is a true honor. Two seniors, Kathy Shives and Kirk Vogt were selected by the senior class to receive this award. When asked how each felt about receiving this award Kirk replied, "I'm surprised but I think it's rad because it's a honor and it's what I wanted most." "I feel that their personality is what's most important in a person. I feel my father has had the most influence on my personality. My father taught me my morales and values and that's what makes me."

Kathy agreed; "Undoubtly, my father has had the most influence on my personality. My father always told me to keep smiling; that nothing could ever be bad enough to stop or take away a smile." Kathy's greatest achievement she feels is being voted class president. She puts in many hours of hard work and achieves many goals.

Two Seniors Who Communicate Well

Kelly Ames is one of Tustin High's most talkative people. She's not only talkative, but she's also a Varsity Cheerleader and is very spirited. This year Kelly won the Miss Tustin Contest and now reigns as Miss Tustin. Kelly also represented Tustin High School on the Academic decathelon team, and yearbook staff. Kelly was born in San Francisco and has lived in Tustin for seven years. Kelly's future goal is to be a newscaster. She hopes to attend UCSB and wants to major in communications. In the summer, Kelly goes water skiing and to the beach.

Greg Levin is also a very talkative person at Tustin High School. He was born in Los Angeles, and has lived here since nursery school. During the summer Greg spends his time at the beach and likes to surf, and in the winter, he snow skiis and still surfs. Greg's talkitis hit him when he was born. He hopes to attend UCSB and is going to major in communications.

As you can see, these two talkative people have lots in common.

Kelly Ames finds no need for Greg Levin to be talking at this time.

The Senior Classes' Three Best Athletes

Darren Webster, Kirby Piazza, and Jenny Wright are three of Tustin High's most gifted athletes, and have contributed alot to Tustin's success in sports, this year.

Darren Webster has been involved in track and football at Tustin. He has enjoyed football the most and has received many football awards because of his dedication. As a Freshman, he was voted most valuable back. As a Sophomore, he received the most valuable player award, and in his Junior year, he lettered. Darren said he has gained strength and discipline by participating in Tustin's football program. He plans to play football at Brigham Young University, next year.

Kirby Piazza has been involved in foot ball, track and basketball at Tustin. Kirby has received many awards for his athletic persutes, including "most valuable player" in basketball, Kirby enjoyed football the most, however. Football activities have given Kirby the opportunity to get to know kids from other schools, and Kirby has really gained some good friends. Kirby will continue to play football at college next year.

Jenny Wright has played soccer, tennis, and softball for Tustin. She practiced every day after school for two hours. She has received many awards and recognition because of her dedication. Jenny lettered in softball her first year of playing. Jenny's favorite sport is soccer because she enjoys "running around" and being active. She also said sports have helped her become "more involved in school". Jenny plans to play soccer next year at Chapman College.

A Great Pair Of Bodies

Beau Mercurio is a 4 year water polo player which has helped to keep him fit. Water Polo players work out almost year round in the weight room and in the pool. This has been a contributing factor to Beau's great body.

Renay Johnson has been on Pep Squad for 4 years which has been a large factor for her keeping her body fit. Occasionally Renay can be seen working out at Racquetball World or doing aerobics.

Tiller Couple Has Torrid Romance

Cheryl Hart and Pat Hegarty were chosen by the senior class as Tiller romance couple of the year. Cheryl is a song leader and Pat is the quarter back on the varsity football team. Their relationship started out as a crush and led to the steady relationship they have now. Cheryl and Pat met in March, 1983 and have been dating ever since then. Both Pat and Cheryl plan to go on to college after high school and when Cheryl was asked what college she chose to attend she replied "one close to where Pat goes!" It looks as if they will be together for a long time, who knows, they may be married when we come back for our 10 year reunion!

Pat Heagarty and Cheryl Hart voted as Tiller Romance.

The Best Senior Eyes

Those eyes!. Kirk Vogt and Kara Mehrer display their natural wonder.

Seniors Kara Mehrer and Kirk Vogt were voted as having the best eyes in the senior class. Both Kara and Kirk have blonde hair and noticeable eyes. Kara's eyes are a beautiful green and Kirk's a striking light blue. Kara and Kirk's eyes are their trademarks at T.H.S. Kara attended Tustin High for three years after moving to California from South Carolina after her freshman year there. Kirk is a native Californian and attended T.H.S. all four years. Kara's hobbies are sailing, skiing, going to the movies and doing things with her best friend. Kirk enjoys to surf, ski, sail and go to the beach. Not only do these two have great eyes but they have fantastic personalities and good looks to go along with them.

Our Senior Sponsors

Mr. Mirich has been with the seniors all four years, since they were freshmen. He enjoys coaching for Santa Ana College, he also coaches the freshmen baseball team at Tustin. He was asked why he became a Senior Sponsor. He felt the class was going to be a terrific and very athletic, he wanted to become a part of it.

Mrs. Krol, who has been at Tustin for 6 years and **Mrs. Cecala** for 3 years were also asked a few questions about the duties of a Sponsor. They commented that they help supervise the activities and give alot of advice. Mrs. Krol said, "Were full of advice." If they ever need any help we are there.

These sponsors hope that in the future, the seniors will be able to look back at the great times and never forget their friends.

Mr. O'Toole, Mr. Mirich, Mrs. Krol and Mrs. Cecala enjoy sponsoring the Senior class.

Mr. O'Toole caught sharing his advice about college with Krista Simor.

7

This years Senior Counselor, **Gene O'T** has been a counselor for the "Class of since they entered Tustin High as freshme Sept. 1981. O'Toole has been at T.H.S. fo years. He feels that, "This class is the enjoyable and friendliest class," he has counseled.

In his spare time he enjoys, going to beach, tennis, reading, and cycling.

O'Toole enjoys working with students feels he is offering them a service by helpi heal their wounds and preparing them to their big decisions in life.

Some of his duties are to have superv and to prepare kids for "Life at Tustin H He comments, "I'm the Jack of all trades master of many."

Our Strong bands
Can ner be broken
Formed at Tustin High
For surpassing wealth unspoken
Sealed by friendship tied

Alma Mater, Alma Mater
Deep graven on each heart
Shall be found unwavering true
When we from school shall part.

Juniors, The Best Is Yet To Come

The class of 86' has proven beyond a doubt that they are ready to have an awesome Senior Year. This past year flew by us and now is only in our memories. The friends we have met and the great times we have had can only be surpassed by the new friends and times we have waiting for us next year. Next year we will be Seniors and we will have our most memorable year ever. Thanks for a great Junior Year. Get ready for an even better Senior Year.

Respectfully Yours

The 1984 Tustin High OCAD Team. Top row: Susan Chung, Kelly Ames, Julie Spellman, Drew Wetherholt, Coach Bob Boies, Bottom row: Laura Seigle, Pam Stevenson, and Ann Chung.

OCAD Wins Big

At 7:45 on the Saturday of November 17, while most high school students were still in bed asleep, 672 Orange County High schoolers met at Foothill to participate in the 17th annual Orange County Academic Decathlon. The twelve students chosen to represent Tustin High were Kelly Ames, Ann Chung, Susan Chung, Kirsten Hill, Kara Kerns, Christine Larson, Anna Lee, Laura Seigle, Julie Spellman, Taylor Stacey, Pam Stevenson and Drew Wetherholt.

After months of studying during zero period and after school, these students were prepared for the big competition. At the Decathlon, each student took tests in Economics, English, Fine Arts, Math, Science, and Social Science. Then they gave a four minute prepared speach and a two minute impromptu speech, wrote an essay, had an interview, and took part in the Super Quiz.

The team came in fourth place out of the 56 schools that participated. Laura Seigle won third place in Social Science and Economics, second place in English, and second place overall. Julie Spellman won third place in Economics and first place in the Speech competition. The team as a whole, also won fourth place in the Super Quiz.

Individual awards were won by the members of the alternate team as well as by the members of the regular team. Anna Lee won first place in Essay, Fine Arts, English, and overall, and she also won second place in Science, Economics, and Math. Taylor Stacey won third place in Social Science, second place overall, and first place in Economics. Kirsten Hill won second place in Fine Arts. Ann Chung won second place in Math. Christine Larson won second place in English. The alternate team won first place over all.

Hitting The Top

Surfing at Tustin High is a very popular sport. A typical surfer, Brad Hines says, "Its really fun. Your in the water, and its a water sport." You would have to enjoy the water an awful lot to be in it as much as surfers are. Some of them are so dedicated they get up and leave by 5:00 a.m. in the morning, and then they are back in time for school. Mark Zalac a surfer says, "You meet new friends, whether your on the beach or in the water."

The most important thing to a surfer is his board. "There's different varieties of surf boards," replies Buddy Burke. "There's many shapes and sizes, the prices are very expensive, of course it depends on what type of board you would want. You can buy new and used boards, make sure they are in good condition though."

Every beach is different from the other. The waves are always breaking differently, Jim Martinez replies, "You don't surf the same conditions everyday, there is a lot of variety, It's complicated; your constantly learning. You are always surfing different challenges. Some waves are bigger than others, the bigger ones make it easier to ride rather than the smaller ones. You can't catch them as easy as the bigger ones. You can usually get longer rides with big ones, of course if you fall it will be a short ride."

A Juggler . . . And More

Owen Morse has been juggling over four years. He was introduced to juggling by a friend who had been juggling five months. Within five days, Owen was juggling better than his friend. Now Owen juggles "everything", he said, "tennis rackets, bowlingballs, flaming torches, M&Ms and eggs " One of Owen's favorite acts is juggling an egg, a skillet, and a torch, ending with the egg in the skillet with the torch under it.

Owen works for a company in Hollywood called "American Youth on Stage". They send him to jobs all over Southern California. Once while working in a mall during Christmas time, Owen dropped a bowling ball. Owen said, "It almost gave Santa a heart attack!"

Owen is enrolled in a juggling school called "The Wait Wait Wait School of Juggling". (The name was derived from frustrated jugglers.) Owen will have the chance to compete in the International Junior Championship in Atlanta Georgia, during the summer of '85.

Juggling is by no means Owen's only talent, however. He is on the varsity basketball team. He is also enrolled in some really tough classes, English AP, Physics E, MMA, German II, and Civics. Owen plans to go on to college, and not go into perfessional entertainment.

Owen has gained alot from his juggling experience, however. He said, "I used to be terrified to be in front of people, it's helped me become more outgoing I really have fun when I'm performing."

What action! Every day at lunch, Owen practices his juggling act at school.

The Guy Behind The Baseball Glove

After contributing to Tustin's Varsity Baseball Team, Mike Morehead has been recognized as an outstanding athlete. Mike has received his Varsity Letter each season from 1983 to 1985. As a Sophomore, he was named to the Second Team All-Century League and was honored as "Rookie of the Year" for the 1983 League Championships. As a Junior, Mike was named to the First Team All-Century League as a third baseman; he was not only an excellent fielder but was also an outstanding batter with his league batting average of .510. This same year, Mike was awarded the most valuable player on the Varsity Team and was also made Varsity Team Captain for 1985.

Beyond his personal achievements as a ballplayer, Mike has proven himself to be, in the truest sense of the words, both a gentleman and a scholar. His dedication throughout the past three years has served as a source of inspiration for players and coaches alike. He has excelled not only on the field of play, but also in the classroom, where he has managed to maintain a 3.8 grade point average.

Mike's baseball coach for the past three years, Dan Sheehy, said, "Mike has earned the respect of his teammates, classmates, and instructors due to his dedication and self-sacrificing efforts to excel in all his endeavors. Very seldom does such a superb athlete come along that exhibits so many of these fine qualities. It has been my good fortune to have coached such an athlete."

The Straw Hat Gang, Darryl Harris, Jude Correa, Yvonne Torres, and Damian Arbelbide pose by the Hot Wheels Delivery Vehicle.

"The Straw Hat Gang"

Where can you get great tasting pizza, fresh crisp salad and ice cold drinks? The answer is *Straw Hat.* Straw Hat is a place with a comfortable and friendly environment. Everytime you go in, you can probably find someone you know. Part of the reason is that over half of the employees attended Tustin High within the last five years.

The present student employees are Jude Correa, Yvonne Torres, Darryl Harris and Damian Arbelbide. The ex-student employees are John Bertrand, Jim Coty, Eric Eichinger, Steve Ragsdale, Melissa Walker. We all work together as a team to make your visit a good one. It is the relationship between the bosses, customers and employees that make Straw Hat work.

Even though the employees say that working at Straw Hat is fun, it does get hectic at times. Such times are when all the phone lines ring at once and none of the customers know what they want, and you have twenty orders in line to be made and as soon as you finish one another one goes in line. This gets even more hectic when there are no dough rollouts to make the pizzas with. This usually happens on friday, but does happen at other times too. However, we always finish the orders. Even though we have problems at times, Straw Hat is a fun place to work.

"Crazy Lazy Days"

This past summer all of us students really expressed the theme "crazy". The majority of us arose bright and early in time for lunch and headed where else for the beach! Here, friends, foes, groups and cliques lay enjoying the sun's radiance. We would run around, sleep, eat and for the most part be lazy. Our nightimes were filled with excitement! Going dancing or down to the beach were crazy experiences. Screaming out car windows at cute guys or girls typifies the frantics which we all experienced.

But now its back to school and our craziness is again replaced by laziness until the weekends come around. The alarm goes off and instead of it being bright, sunny, and time for lunch, it's dark, cold, and time for breakfast. Our school weeks are filled with anticipation for the weekend. Sixth period on Friday brings out our energy and the crazy days begin for the weekend.

Cheryl Baer and Judy Cariato show how to spend those crazy lazy days.

Small portions of Mo's collection.

Collecting For Fun And Profit

Around the world collecting for a hobby has been popular for many years. The things being collected range from little items like marbles to big things like cars. It all depends on the collectors feelings. They usually collect for the thrill of it or for the money or even both.

Mo Clark, a junior, has a hobby of collecting baseball cards He has over 5000 cards. Half of his cards are fairly valuable. Some of his rookie cards like Robin Yount of the Milwaukee Brewers and George Brett of the Kansas City Royals are worth $20 each. Mo also has some rookie cards that are worth 8 to 10 dollars like Fred Lynn of the California Angels. Mo quotes, "It's like gold, the price of it may go up or down." To keep his cards in good condition, he uses plastic pockets so the end of the cards will not bend.

Collecting can at times be expensive. During baseball season Mo spends $10 a week on baseball cards. In off season he attends baseball card conventions once every 3 months and spends $50. A few of the cards Mo buys are priced at $5 each. All the money Mo spends a month can add up to be a lot. Mo admits, "Even though this hobby is involving spending alot of money it's great watching your first few cards turn into room fulls.

Sophomores Achieve Success!

Success! The class of "87" has continued the tradition of academic excellence and spirit at Tustin High. We have showed our extreme dedication to athletics as well as academics. This continued success allows us to look back among our many accomplishments at Tustin High.

The last two years have been filled with memories of good times and new acquired friendships. With these new friendships, the class of "87" has succeeded in becoming united and whole. This unity and many memories will allow us to continue our journey towards excellence.

We take all of this year; with high enthusiasm, academic and athletic committments, student involvement, and a dedication towards, excellence, into our junior year.

Sincerly,

School Spirit Shines In A Tustin Tiller

Senior Mike Predney showed his school spirit by participating in various activities. He cheered at all of the Football, J.V. Basketball, Girl's Varsity Basketball, and Girl's J.V. Basketball games. He also attended all of the pep rallies, dances, and pep assemblies. When asked why he goes, Mike said, "I enjoy cheering, I know that if I'm there cheering for them, they will come and cheer for me."

As a Varsity Basketball player he knows the importance of support from the stands. He said, "It really helps to have people cheering. I get more out of a game if people are cheering for me. It gives me extra energy."

Mike goes the extra mile to support Tustin. While he thinks Tustin students have spirit, he said, "A lot of people go to the game just to socialize. They don't have interest in the game." He believes that the whole crowd should be cheering right along with the cheerleaders.

Mike Predney is a great example of a Tiller with spirit.

Summer Freedom Or School?

The sound of ringing bells of summer freedom echoes through the Tustin High corridors. Knowing school has ended and a new beginning of summer has started, the classroom doors are swung widly open with summer hopefuls running for their lockers, that would be opened for the last time for at least 3 months. One by one locker doors are being slamed. While the lockers are waiting for cob webs to form, the school is empting quickly.

Summer is a chance to let out half of the pressures you gain in a school year. It also gives you time to do the things that you wanted to do but just didn't have the time during school schedules. A student thought, "During school days I wish there were more hours."

In few short months school would start again as planned. Every year there are alot of eager students who make school a little fun; Full of activities and friendly people. School is where your friends are and the great place to find more. Maybe waiting for summer wouldn't be that long of a wait. The year goes so fast.

Steve Dorsch and Vince Greenlee take a dip in their private pool. One of the fun aspects of life at school.

Regina Wilkison, The First Lady Elected Treasurer

Regina Wilkison, a senior at Tustin High School was the first woman ever elected into the office of Treasurer. This is the first year that women have been allowed to become members of the well known "Key Club". The new officers are president Robin Nugunadick, Vice-president Dave Andrews, Secretary Wes Causey and Treasurer Regina Wilkison.

When asked what a Treasurer does Regina replied, "I collect dues, which are five dollars, plan fund raisers, and help the president organize the club". As you can see Regina has a full schedule. Nonetheless, the whole club finds enough time to meet with the Keywanians every Friday morning for breakfast at Coco's.

The Keywanians, an all male club, have helped out the Key Club by donating large sums of money to make the club active. They have also given the Key Club great support especially in their time of need, when the Key Club had no advisor.

"It's really fun, right now we're planning on how we're going to participate in the infamous "Tustin Tiller Day's Parade", commented Regina. Regina also felt that besides all the fun and games that go on in their club, it should be taken seriously. "Our club is designed to help out committees with our volunteer work, we organize dances and club fairs (which raise money for needy people). We also put together membership drives to get more people involved in working with our school and making the people who are usually forgotten feel special."

Regina Wilkison displays her winning attitude.

Waterskiing is mostly done during the summer when the weather is warm but Judy enjoys it anytime, even on the Tustin HS parking lot.

Waterskiing Is Fun

Water skiing is a very exhilerating and healthy sport. Judy Cariato is one person who has a feel for the sport. She has been skiing for eight years now. She says, "The sport is immensly exciting and is a good muscle builder for the person who is scrawny and weak, and could use the extra muscle". She is saying that this is a fun sport and at the same time it builds the body. It takes strength to pull yourself up out of the water. Although the boat does most of the work, human strength is very important also.

Judy says, "One must first learn the basics of this sport". The first thing to do is to pull yourself out of the water and up on the skiis. Next, one must learn to balance and stay up. If the skiis tilt to one side too much, balance could be lost. As long as these three things are learned and practiced, you've got it! A lot of tricky maneuvers can be done. One can tilt to the side to gain speed and actually move next to the boat; but, be careful of the white wash caused from the motion of the boat. Your ski may get caught under it and you will 'bite' it in a second. Also, if you move from side to side directly behind the boat a spray of water is created.

Judy enjoys skiing on one ski. She feels "It is overwhelming to ski on one, it is tougher than skiing on two because it is difficult, at first, to get up. Also, it is harder to keep yourself balanced." Judy usually brings a friend with her and they have dog fights out in the ocean. Dog fights are when you tilt your skiis the opposite way of your partner. This creates a spray of water which usually hits the other person in the face. You get on the side of them and repeat the procedure.

Tillers plow their way to the Door.

"The Door" Offers Fun And New Life

Every year during football season Calvary Church of Santa Ana sponsors the Door. The Door opened on September 28 and stayed opened until November 2. The Door was held on Friday nights from 10 to 12 p.m. The cost of The Door was $4.50 without a coupon and $3.50 with a coupon.

The Door was a place to go where you could eat all the pizza, drink all the soda and enjoy all the delicious ice cream sundaes you wanted. Every week a different band played. Some of these bands were *441, Undercover,* and *Steve Taylor.* There was a multimedia screen where you could see your school in action and maybe even yourself. There are many games to play, for example, seeing how many members from your school could squeeze into a car. The door was a place to go with your friends and maybe even meet new ones.

The Door was also more than a place to hang-out and eat all the food you wanted. The Door served students as a place to share their faith and commitment to God and how others could have a personal relationship with Him. Every Friday night one or two high school students would share their faith. They would tell how Jesus Christ had changed their lives. If anyone had any questions, he or she could go in the "Let's Talk" room and a counselor would answer any questions they might have.

Thanks to Ray Schwartz and all the staff members who gave their time and energy to make the Door a great success.

The front entrance of the old Tustin Union High School before 1966.

Tustin Trivia, Looking In The Past

How well do you know your history? Here are some facts that just might interest you. In 1921 Tustin Union High School held its first class, which consisted of 123 students. The School did not have its first graduating class until 1923 with 17 students receiving diplomas.

The original building stood where the present THS building stands today on Laguna road. The original building was deemed unsafe in 1965 because it was not earthquake proof. On July 20, 1966 the building was demolished. Students still attended school during this time. They were all housed in temporary classrooms until the new building was ready for occupancy.

The old building had 23 classrooms, an auditorium which seated 600 people, and an outside stage. The old gym was where the technical education building stands. The old swimming pool was located today where the west parking lot is. There was also at one time an agricultural farm. That was where the visitor bleachers are today.

Although many people were sad and tearful when the old building was demolished, the new brought with it many advantages. There were more classrooms which allow for a better curriculum. Additionally the new building has provided for THS's growing enrollment.

The old building will always be a very memorable part of our history, and a good one at that. The great spirit of THS still remains and also the present building is very much appreciated.

Britain Sends A New Invasion Of Music

Currently in the music scene today there is an outburst of many new bands with a new style. These bands form what is now being called the new British Invasion. The original British Invasion, occuring some 20 years ago, included such bands as The Rolling Stones, The Kinks, Dave Clark Five, and of course The Beatles. One of the great new bands leading the new British Invasion is Duran Duran.

"I think that Duran Duran is as popular as The Beatles were in their time. Each guy in the band is an individual and that is why I like them." Janet Le expresses the thoughts of many Duran Duran fans (in England Duran fans are called Durannies). Although many think this is true, Duran Duran's Simon Le Bon says that Duran Duran wants to create their own history not relive someone else's.

The 1984 year was a "whirlwind" year for Duran Duran. The band accomplished much of what they had hoped for. They toured the world with sold out concerts everywhere. They achieved their first number one in America with "The Reflex". Two more of the band members, Nick Rhodes and Roger Taylor got married to their long time girlfriends, and Andy Taylor, lead guitarist, and his wife, Tracie, had their first baby, Andy Jr. Finally last but not least, Duran Duran had a super top ten song, "The Wild Boys" off their new live album **Arena.**

Some of Duran Duran's American releases as well as their British imports.

Duran Duran has certainly come a long way since their new Romantic days that occured just a couple of years ago. They are truly the leaders of the new British Invasion and one of the supergroups of the world. A truly devoted Durannie, Yuko Clark, had this to say about her favorite band: "From the new Romantic days to the casual, Duran Duran has gone a long way. Their music has changed with the years. I like them because they are a well organized group and their music is great!" In the years to come this band will surely make a big name for themselves in music history.

Freshmen Achieve A Winning Attitude

The '84-'85 year has been new to all of us but we have quickly settled down and have become a vital part of Tustin High.

This year has introduced us to a winning attitude and is setting the pace for the years to come. The class of '88 has and will continue to show pride and class unity. We have excelled in academics as well as in athletics.

The future has no limits for the class of '88.

Sincerely,

Jeff Dart

A Rabbit Or A Beach Cruiser?

"Dad, Can I get my own car?"

"No!"

"But, Dad, Werner and Jim have their own cars."

"Listen to me! You are not getting your own car, because I don't want to hassle with the insurance company."

"You won't have to do it, I'll do it all I promise."

"You mean you'll get the estimate for the insurance and for a new car?"

"Yes, Yes I Will. Thanks, Dad. Wow, I've never done this before. I don't know what to do."

Let's see. 853-1212 . . . Ring-Ring, Ring-Ring, Ring-Ring, Ring-Ring. Oh no, not now! Someone has to be there. I'll try again. 853-1212 . . . Ring-Ring, Ring-Ring

"Hello, this is the insurance company."

"Yes, I want insurance."

"You WANT Insurance?"

"No, My dad said I need insurance."

"Do you need: Life Insurance, Fire Insurance, Medical Insurance, Dental Insurance, or Car Insurance?"

"That's the one. Car Insurance."

"Okay, what kind of car do you have?"

"Um- . . . I don't have one yet, but I want a convertable rabbit."

"I'll transfer you to Volkswagon Autos." Bzzz-Bzzz

"Volkswagons, can I help you?"

"Yes, Help. I do need HELP! I want a convertable rabbit."

"I don't want to scare you, but our convertable rabbits cost about $10,000." Wow, that's alot!

"Maybe I better call someone else, and get a used car. Well, you scared me." Click

"Let's see. 853-1234 . . . Buzz-Buzz, Buzz-Buzz "It can't be busy. I'll try again . . . 853-1234 . . . Ring-Ring, Ring-Ring. Good

"Used cars."

"Yes, I want to get a used rabbit."

"Well honey, you'll have to call back because I need to find out the estimate."

"Okay, I'll call back. Thanks, Bye." Boy, oh Boy. There, I got that taken care of. Now I need to call the insurance company to register the car. Hmmm . . . 853-1223 . . . Ring-Ring

"Hello! Insurance Company"

"Hi, My name is Maurine, and I need to register a used rabbit."

"Alright Maurine, that will be $25.00 for registration of your car, and $7.00 for your Renewal fee, plus you need to get your car a SMOG check."

"What's a SMOG check?"

"Go to your nearest gas station, and they will get you your smog check. That will be about $40.00. I need some additional information first: Your name, address, and Daddys credit card number. Okay, thank you. We will be billing you for $132.00, which will cover everything except your smog check. We will send you your information in the mail, including your receipt, but first I have to get this credit card authorized for approval."

"But, wait . . . "

"Please hold." Click

"I don't want approval, or insurance, nor the rabbit. I still never found out what a Smog check is (except that the gas station has it), um . . . Click

"Yes, your Daddys card is good, thank you, Bye." Click . . .

"You don't understand. $132.00 is a lot of money, and I don't even have a job. I'm sorry, really I am. Just Forget the whole thing!!!

"BEEP! Please hang up your phone and dial correctly, or call your operator for assistance. BEEP!"

"I can't afford the car. I don't have the money." I guess I will stick with my beach cruiser!

National Prominence

School Produces Astronaut

David Leestma, class of '67, took an adventure around the Earth in The Space Shuttle, Challenger. Among the scientific cargo was our ASB banner. It orbited three and a half million miles in eight days, To reach its destination, in the THS gym.

The Star Pilot presented the Student Body with the historic banner. Mrs. Lynch received a plaque commerating the lift-off and a small flag that traveled aboard the shuttle.

Students proud of his accomplishment honored Leestma with a standing ovation, and greeted him with a special tribute of appreciation.

Leestma was one of three graduates of THS who brought honor to the red and black. Along with him is Dr. John Buster and rower Bruce Ibbetson in 1984's hall of fame.

Buster achieved national acclaim with his work on embryo transplants.

Dr. Buster is a member of the class of '57.

Nearly 15 years later Bruce Ibbetson would graduate from Tustin High and take up rowing in college.

After college, he moved onto the '84 Summer Olympics, as a member of our 8-man rowing team, that proudly took the well-deserved silver medal.

Men of distinction and prominence, part of our Heritage as TILLERS.

Stick It On Your Car

This year more than any other people, kids are displaying their personalities through bumper stickers. Likes and dislikes can be displayed through these bumper stickers. Surfers can also show their style through the selection of their beach and surf related slogans. Kids through these, are also promoting the advertising of many different radio stations, and rock groups.

Styles Through The Years

Trends seems to come and go. Trends such as punk, rockabilly, mod, and new-ro are popular today as well as 30 years ago. Each person has their own style and trend.

Punk originated in England around 1970. The groups *The Sex Pistols* and *The Clash* were the first bands that made punk popular. These bands sang about the government and how the taxes were too high. This started the whole social protest in England. Punk started gaining popularity in the United States around 1976. Many little bands started showing up such as *Social Distortion, Black Flag,* and *The Dead Kennedys.* These bands created a new scene that many Americans have never seen before. Mohawks, multi-died hair styles, and the piercing of the skin on the face and limbs were some of the things the youth got into as a rebellion against their parents and their society. There are different kinds of punks such as surf punks, glamor punks, oi punks, and nazi punks.

Rockabilly originated in the 1950's. It started in America and it was the beginning of Rock-n-Roll. The first popular song, "Rock Around the Clock", came from the movie "Blackboard Jungle". This song was sung by *Bill Haley and the Comets.* Some of the most famous singers in this genre of music were *Elvis Presley, Buddy Holly,* and *Eddie Cockrin.* This scene died down in the 1960's, but it has revived itself in the 1980's with new bands such as *The Stray Cats, Levi and the Rockats, The Kingbees, Rockin' Rebels,* and *Los Labos.* Most of the fad followers wear authentic clothing from the 1950's which they can obtain at Vintage Clothing thrift stores.

Mods became popular during the 1960's. One of the most famous bands which had this style were *The Beatles.* Riding scooters and wearing polyester was a common fad among mods. This trend died down during the 70's, but like rockabilly it revived itself in the 1980's with such bands a *The Patterns* and *The 3 o'Clock.* There are also skas which are similar to mods.

New-ro's, short for New Romantics, started in Europe. They have their own kind of music and clothing style. They are famous for large ruffled shirts, pirate pants, sashes, and make-up on both men and women.

These are the backgrounds of the different trends which have occured in the past 30 years. Although these trends were started a long time ago many are still popular today.

Elvis Presley in Jailhouse rock started many rock trends.

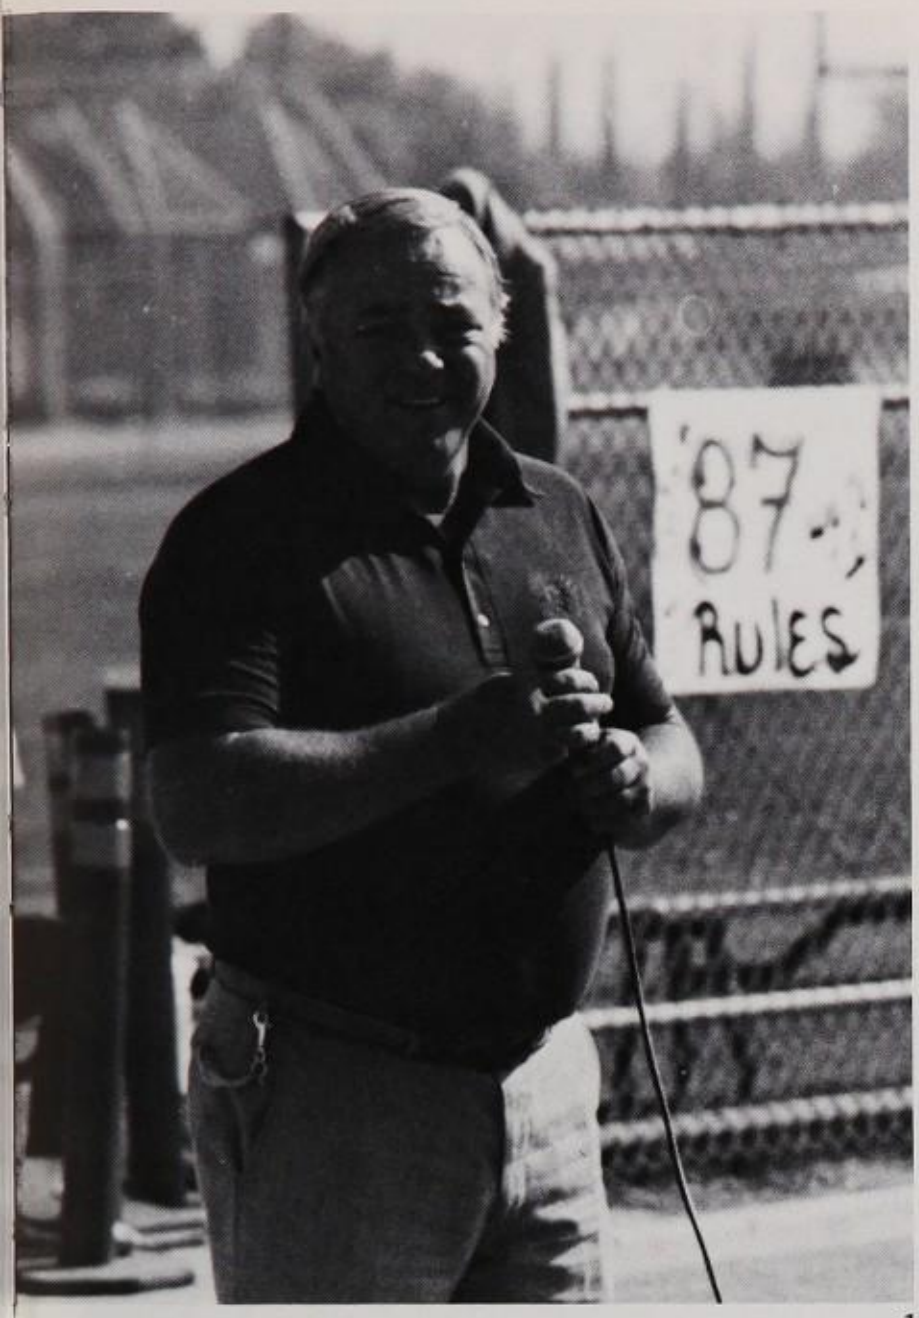
What Do You Think Of Coach Ancich?

Ann Chung-"He has again proved that Tiller's are at their best and stronger than ever."
Greg Morales-"Coach Ancich is a winner!"

Mary Spellman-"He is the best thing that has happened to our football team and school spirit in about 20 years."

Denise Roach-"Coach Ancich is an awesome coach, and a wonderful and intense person."
Lisa Pellegrino-"He has brought back the pride and spirit of Tustin in such a short time."



1

Leads School In New Direction
Ancich Named Coach Of The Year

Coach Marijon Ancich has moved Tustin High school to new directions. He believes that there are a lot of possibilities at Tustin. He has lead us toward these possibilities. Coach Jesse stated, "He is a great leader and motivator. People that know him want to do their best ... he brings the best out of everyone.

It takes much hard work to take a football team and push them to success like Ancich did. "I'm not afraid to work" said Ancich. Besides building success he has brought a new sense of school spirit. Leslie Reighter stated, "Coach Ancich has come to Tustin High and set a new image and outlook. He's lifted spirits and taught us a winning attitude."

Coach Ancich has spent 22 years teaching football. He spent 19 years at St. Paul H.S., one year as an assistant coach at Northern Arizona University, and assisted at Cerritos college for a year. He was rated the top coach in Orange county for 1984 football season. He has also compiled a 198-40-5 record over the years of his coaching.

Coach Ancich will continue to motivate in the future. He wants to involve everyone in football. He also wants to push the 1985 team even farther.

1. Coach Ancich speaks at the Homecoming assembly.
2. Ancich enjoys what he sees at a pep assembly.
3. Ancich concentrates on the varsity Football game.
4. A poster that symbolizes what many students think.

Principal Proud Of Tiller Accomplishments.

What an exciting year this has been for Tustin High! I am so proud of our accomplishments in academics, activities, and athletics. Students and staff have excelled in hundreds of ways and for that I am grateful.

As I reflect on my first year as principal, I recall all the positive and supportive voices and want to thank the Tustin High community for being such a special part of my life. The operation of a school is a team effort, and we have great members.

I would especially like to thank the Class of 1985. They have been a source of delight for me since they were freshmen and never more so than this, their senior year. I wish them the very best.

Thanks for a great year!

We Hold The Keys

The 1984-85 school year was great! A new principal, a winning athletic program and creative activities made the year memorable. Our academic program was as strong as always, with many of our seniors going on to major universities and colleges throughout the country. Although it was extremely busy and exciting, I'm looking forward to working with the class of '86.

As I look back on the 1984-85 school year, I realize what a pleasure it has been to associate with first-rate students, an excellant staff, and supportive parents. All these groups working together in harmony make Tustin High School a very special place.

My sincerest best wishes to all of you in your future endeavors.

Counselors help you build your house on solid ground and not on sand. Sometimes your boss, occasionally a cop, counselors cross over with you into unfriendly territory. They show the care that seemingly hostile parents and teachers have. Counselors help you to build your bridges to others, to the outside, to the future.

We're close friends
That've been through a lot
There's a special bond
That can never be bought.

There're many times
That together, we've shared
It helped to know during hard times
Everyone really cared.

There's a bond
That'll never be broken
An unfelt touch
And words left unspoken.

We've schemed, partied
And just had fun
And to that, we've proven
Anything can be done!

The friendship shall
forever go on
Because all of us hold
That very special bond.

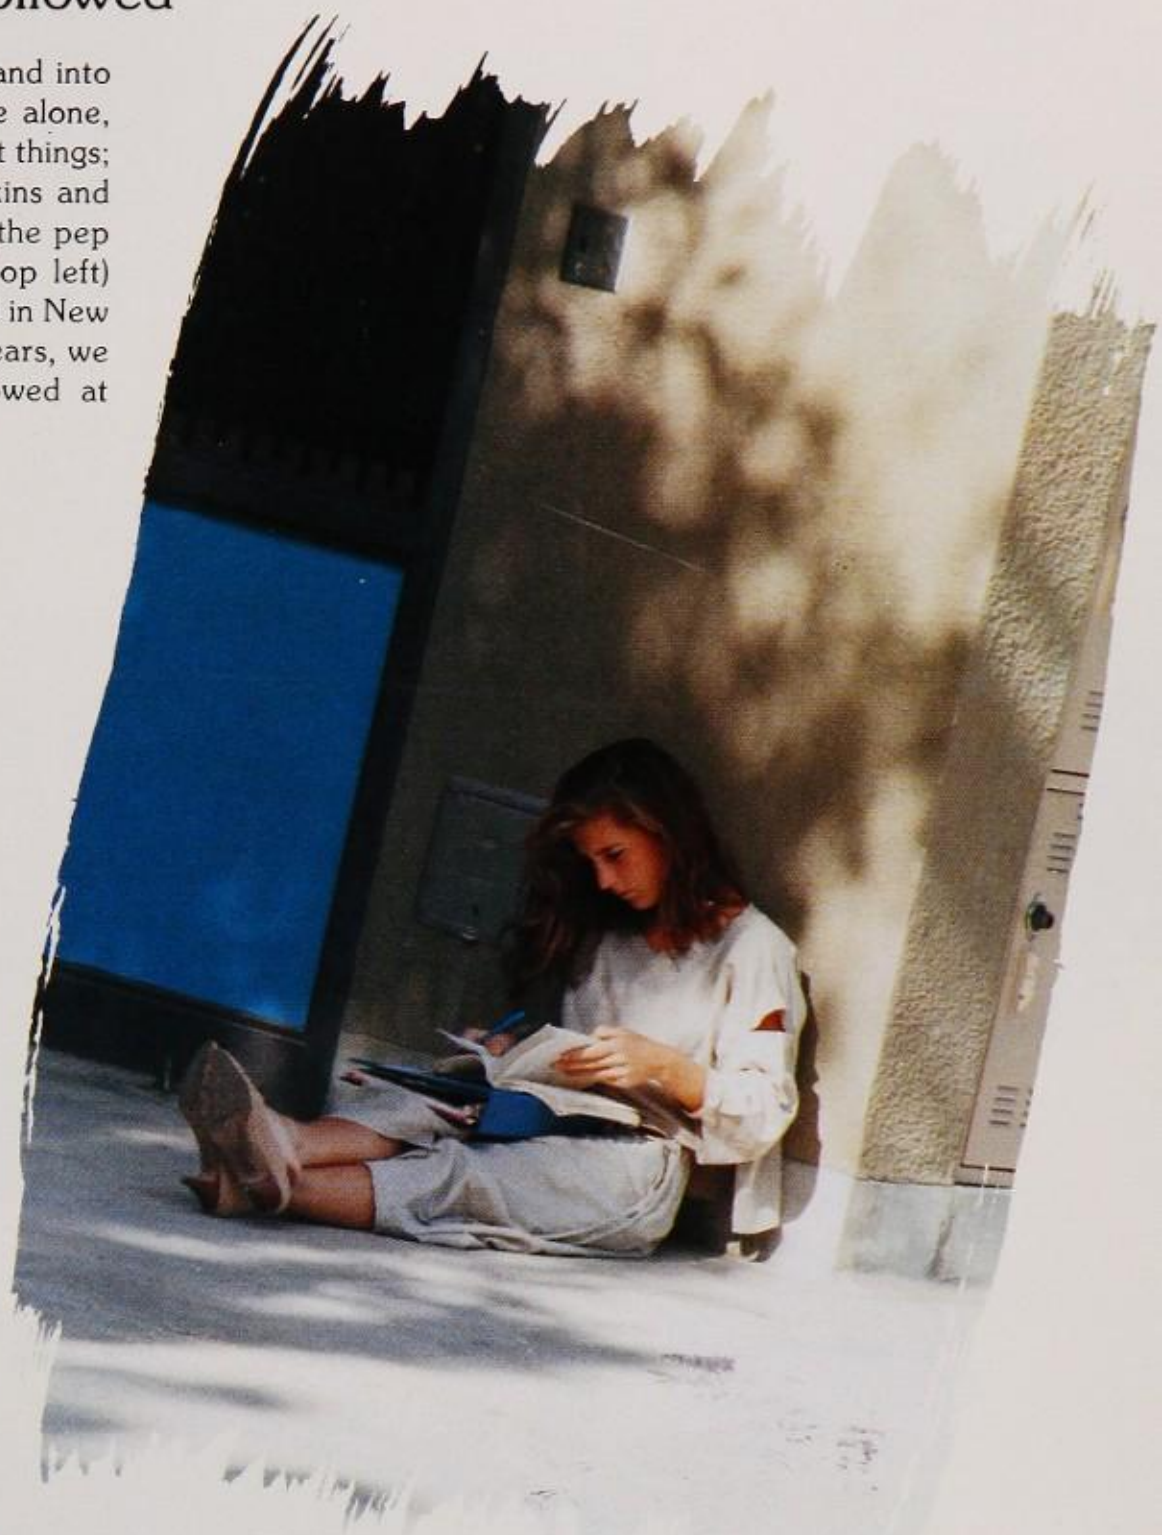
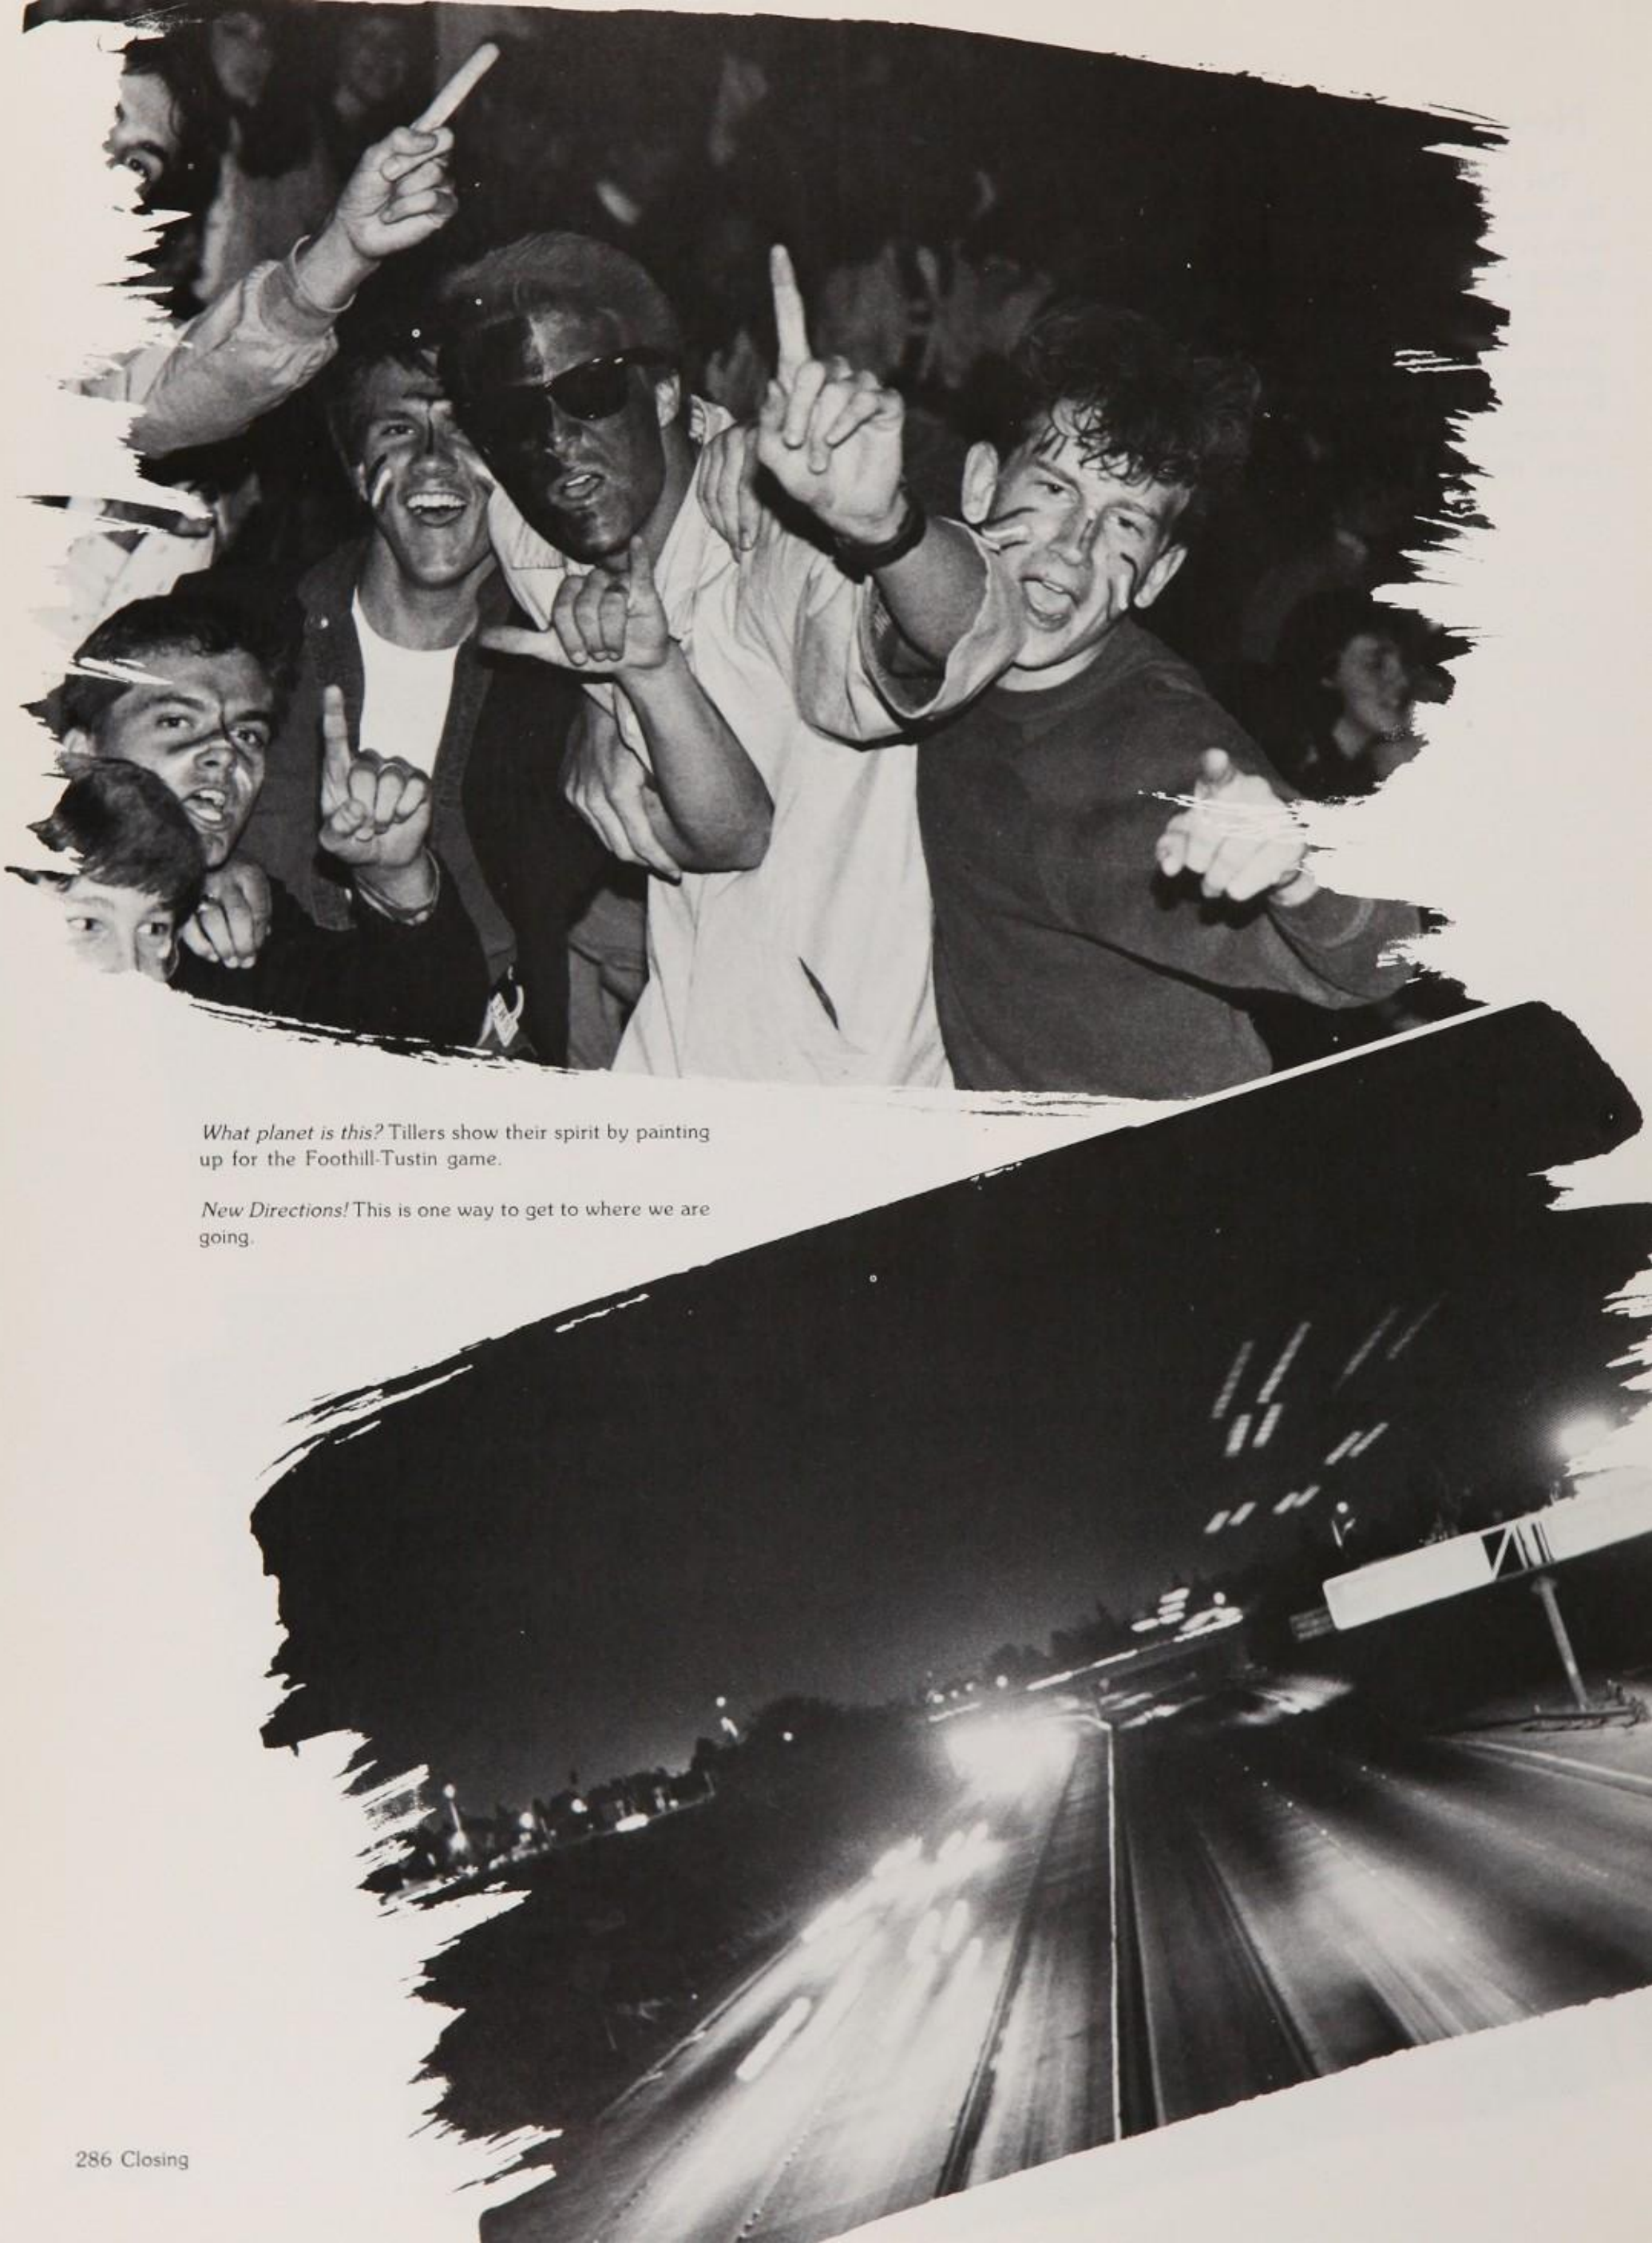
Mom and Dad,
Here's lookin at ya! We've finally made it. Thanks for all your support. *Love Always Jim & Maurine*

New Directions Found And Followed

This year has brought us out of the old directions and into the newer and more exciting directions. Finding time alone, such as Katy Farney (top right); reflecting on important things; finding time to share with friends such as Dana Perkins and Tina Alvarado (bottom left); building school spirit, as the pep squad does; or just goofing around as Joe Kovac (top left) exhibits; all contribute to the fun and importance found in New Directions for students at Tustin High. Through the years, we will remember the New Directions found and followed at Tustin High School.





What planet is this? Tillers show their spirit by painting up for the Foothill-Tustin game.

New Directions! This is one way to get to where we are going.

This Is It!

New directions have taken us to new heights this year. We have moved steadily upward and onward to our new selves. There have been changes that have taken place daily. These new directions are what has made us what we are today. This is not the end, however. The new directions keep moving towards us. We will be following them until the end of our lives.

Where is the sand? Johnny Spiak dresses up for beach day.

Knight Busters! Mike Predney shows his "knight buster's" shield.
